

Keep the Word Until the End

Judges 2:1-5

In God's perspective, mankind is in need of the covenant. All things will be given through the covenant. You can be saved, receive answers to prayer, and conquer all problems by the covenant. Satan will be crushed and you will always be victorious in the spiritual battle through the covenant. You will no longer run away from the curse, but will conquer it. Through this, you will be able to conquer your past, future, and present circumstances. You will receive answers in advance to which you will begin with that as you conquer the future. All of this is promised in only the covenant (Colossians 2:3). For you to uncover the mysteries is by enjoying Jesus Christ. When you continue it, you will come to the conclusion of Jesus Christ to which the doors of evangelism will open. As you become an evangelist, you will be able to enjoy the depths of the mystery. Evangelism is a spiritual battle to which God knows that you need His power. May you be the 70 church officers like Jason that is entrusted to be the church that saves one region. The Thessalonian church became an example in the region.

1. Keep the Word until the end

- 1) It is known that the Israelites entered into the land of Canaan and killed everyone, but that was not the case. "You shall save nothing alive that breathes" (Deuteronomy 20:16). They were so wicked to God. "Then they devoted all in the city to destruction, both men and women, young and old, oxen, sheep, and donkeys, with the edge of the sword." (Joshua 6:21).
- 2) God's point was to put everyone to death. However, they did not do that. Regardless of the reason, they should have put all of them to death, yet they did not because they wanted to use them for labor. (Judges 1:19, 21, 25-26, 27-28, 29-30, 31-35). They did not keep the Word until the end.
- 3) It was God's word for them to not save nothing alive that breathes, yet they did the complete opposite. They were satisfied and thought that they would need them for the sake of labor. However, that was their problem and as a result the next generation had to face the consequences.
- 4) They needed to keep God's word until the end, but they failed to do so. There were many reasons for it. First of all, they did not take God's word seriously. They needed to stake their lives to the Word, but they did not. It was a serious problem. What will happen if you take the Word lightly when God does according to the Word? How will God's people live their lives if they take the Word of God so lightly when God does according to the Word? It is such a pitiful mistake to make.
- 5) Secondly, their spiritual eyes were dimmed. They lack to see the importance of spiritual problems. They could not see the severity of those living around them who fell into idol worship. If one lacks to know the existence of demons, then they cannot know the Gospel. It is because the Gospel was given for the sake to bind Satan. The Gospel is the answer to all. The original Gospel is Genesis 3:15. God sent his Son to crush the serpent's head. This was a prophecy and promise.
- 6) If you lack to have your spiritual eyes opened, you will not know the severity of those who fall into idol worship. If one lacks to have their spiritual eyes open, they will unknowingly give spiritual influence to their posterity. They may be satisfied with the labor that they do.
- 7) That is why the Israelites and their posterity fell into a snare. They were satisfied to keep the enemies alive as they used them for labor because they took the Word lightly and their spiritual eyes were dimmed. This was the way for their future to fail.

- 8) Then, what is the Word you receive today? You have received the Bible. You must take the Word of God that is written in the Bible seriously and stake your life to receive the Word. Also, you must first receive the conclusion of God's word. That is Jesus Christ and world evangelization. Then, you will see the direction you must take.
- 9) You must take the Word seriously and stake your life to it. If not, the children of each household will perish. You may not see the difference right now, but everything will be changed in the upcoming generation. Spiritual problems will become a serious problem in the coming ages. The Israelites who let the people live that fell into idol worship were snared by them to which curses came upon them.
- 10) Therefore, take the Word seriously and stake your life to receive the Word. The Word is of Jesus Christ and world evangelization. You must stake your life to this. You must do it. The Word you must stake your life to is America, Latin America, remnants, people of all nations - God's time schedule, Mizpah movement, 100 mission team, and 100 regional churches. You must deeply root the Word of God in your heart.
- 11) All of God's word is absolute. It is unchanging and it will never change. No one can change it. Therefore, you must keep the Word until the end. However, it is not so easy. Therefore, you will conquer it if you keep the Word just a little bit. God knows it all. You just keep the Word and God will bestow the answer of conquest to you. If you continue it, you will conquer the future. May that time be right now.

2. Spiritual power

- 1) You must possess the spiritual power to keep the Word until the end. It cannot be done with physical strength, but by the power of the Spirit of God.
- 2) Therefore, the Lord came for that reason. The spiritual power will be upon you when you enjoy the blood of the covenant. When you continuously enjoy it, you will realize even more and go into the depths of enjoyment to which you will receive greater power.
- 3) The covenantal blood liberates you from curses. This is the solution to all problems. Fate and destiny will be overturned. God is almighty to do all and the place where He reveals that He can do it is in Jesus Christ.
- 4) Therefore, by holding to the covenant of Jesus Christ, it will overturn everything. You have been given the keys to the kingdom of heaven. This is the key that will open the doors to everything on earth. This is the Master Key. This is the complete key that can open all the doors. For that reason, the gates of hell can never prevail against you.
- 5) Satan can never defeat no matter how much he tries. It has already been determined. If you try to let Satan defeat you, it can never be done. It is because you are God's church that is built on the rock.
- 6) You are complete in Jesus Christ. You must enjoy this. You will enjoy it when you confess this truth each day. Answers will come and you will be raised as a witness. You will be a witness that testifies Jesus Christ is the end to everything. God is in dire need of this person.
- 7) This person can keep the Word until the end. This is spiritual power. May you confess the covenant of Jesus Christ everyday and come to the conclusion to it. May the grace be upon you for Jesus Christ and world evangelization to be your covenant.
