You Must Testify Also in America

Acts 23:1-11

You all know the acronym OURS very well. When you do only Christ and world evangelization, the answer of uniqueness will come. When the work of recreation takes place, you must make the system and your life must be like this. The representative figures of this movement are the 7 RT's and also many lay leaders and church officers. When you walk your walk of faith, don't live according to your own comfort and convenience but be a person that lives doing Only. Those who do this will see much significant evidence. Compared to the people who take worship so lightly and those who stake their life to do Only, the results have no choice but to be different. There is no reason to feel resentment if this doesn't take place. You can simply change yourself because God is never wrong. If you lack to hold onto God's covenant and desire there is something else that is lacking. There are many cases where when this doesn't take place those people tend to wander elsewhere. You need to enjoy Christ. The answer is Christ. May the grace to confirm this truth once again take place.

1. You must testify also in America

- 1) You are living in the Rome of this age, in America. This is truly a tremendous blessing. You are living in a country that is most severely affected by spiritual problems but cannot see the deepest roots of it.
- 2) God has given you the historic Gospel. All mankind can be saved from curses with this Gospel. This Gospel gives you the happiness of being with God for 24 hours and crushing Satan's head.
- 3) God desires to relay this Gospel in America that is like Rome and throughout the entire world. That is why He has called you and given you this Gospel. May you receive the blessing of the beginning of this image that you can envision through your spiritual eyes.
- 4) Because God is the one that does it, you must simply hold onto the covenant and pray. When you enjoy the covenant and pray, God will open your spiritual eyes one day. His desire will come into your heart and become yours.
- 5) When you enjoy Christ and fight the spiritual battle, you will receive answers as God's desire will be drawn closer to you. It will enter into your heart, be rooted, and you will be transformed into a person of God's desire.
- 6) Eventually, there will be no difference between God's desire and yours. This is Oneness. Your thoughts and God's thoughts will align more and more. Then, all of your worries will disappear.
- 7) You will be in a state in which nothing is more important than God's desire and the covenant of Christ. This is 24 and all things will be on their knees before you.
- 8) You must relay this Gospel in America. You must relay this Gospel to the disciples who remained in the American churches and your school to nurture biblical disciples.
- 9) God has given you this historical opportunity. May you change the idea of a difficult immigrant life to a tremendous opportunity for anyone who has immigrated from a different country.
- 10) This will happen when you enjoy Christ. You will then receive a commission inside of America as this will become the reason for your life in America. The reason you are in America is for American evangelization. You must testify in America. May this Word become your covenant today.

2. The bartizan of the church

- 1) All the churches that have Jesus Christ as the Lord are the bartizans of the churches. Many people of the world look down upon the churches that testify the Gospel that saves all. Jesus Christ is the greatest and eternal bartizan. Our church must be the bartizan church before America and South America.
- 2) The covenant that the church is holding to is to be like the Antioch church. The Antioch church was raised by the church officers who possessed the Gospel. The Antioch church was a historical church because the believers knew God's desire and testified the Gospel to the entire world. The Antioch church relayed the Gospel and the Biblical evangelism to the world.

- 3) The Antioch church held to the fundamentals and was a very big church. To share the spiritual meaning behind the Antioch church, there is no other church in world history that was greater than the Antioch church.
- 4) The Antioch church was a representative church that was raised because and for Jesus Christ. This principle is the same for you and the church as well.
- 5) Jesus Christ is the fundamental covenant and enjoyment. Through the enjoyment of Jesus Christ, you can enjoy God's desire which is your mission. By enjoying Jesus Christ, you will live a grand life as you fundamentally go in the depths of Him. This was what the Antioch church received. Also, the Antioch church raised many believers to evangelism disciples and church officers.
- 6) They lived a rightful life and a grand life because of their mission. Many important disciples and church officers were from the Antioch church and they all became historical figures. It is an important requirement for one to live a grand life which is by the mission and answers to prayer.
- 7) Our church must be like the Antioch church. Our church must be the Antioch church before America and South America. It is possible because our church possesses the historical Gospel. God is already at work because He gives continuous evidence.
- 8) You must pray to God to be the disciples that have the heart to participate through prayer and offerings. It is not merely passing words. You will continuously see great evidence as years pass by. May the blessing be upon you for you to be in the stream as you meditate on the Word.
- 9) Your heart must quickly change, but it is not so easy. That is why Jesus Christ came to you. All you have to do is enjoy Jesus Christ. Matthew 5:48 "You therefore must be perfect, as your heavenly Father is perfect."
- 10) This is something that no one can do. How is it possible for anyone to be like God? However, the Lord said to be perfect as your heavenly Father is perfect. That is why He is with you. If you believe in Him to the extent that you have assurance that He is with you, you will be perfect as your heavenly Father is perfect.
- 11) Jesus Christ is the answer to all. All things that you think that Jesus Christ cannot be the answer to He is the answer to it all. May the blessing be upon you to see that Jesus Christ is the answer to all. Therefore, you must testify also in America. To the extent that yourself and the church will be the bartizan of the church to save America.
