It is Finished

Matthew 28:1-10

As mankind lives in this world they must first realize that the cause of all problems is original sin. More deeply, it is Satan who is the true cause. If your understanding of the cause does not align with God then everything after it will become misaligned. However, if your understanding aligns with God you will hold to the correct answer. The next step is to enjoy that answer. Because this is God's answer you must all live like this. When enjoyment continues it will become deeper and the doors to answers and evangelism will be opened. You will also be used for important things, you will conquer your life, and you will conquer and transcend over Satan and the world. Through the Holy Communion today, you are engraving this covenant once again in your heart. In Luke 22:19 it states, "Do this in remembrance of me." This means to imprint and engrave this covenant in your heart once again. When you imprint in your heart, work will arise. Evidence of the Exodus, liberation from all curses and slavery, and answers like the wilderness will appear. Imprinting the covenant is actually everything. May these blessings be upon you today.

1. It is finished

- 1) Today is Resurrection Sunday. The resurrection is evidence that Jesus has finished all things within the covenant. (John 19:30) The resurrection is the fruit of the covenant that freed mankind from curses and original sin. It is the evidence of this fact.
- 2) Therefore, you must confirm everything Jesus has fulfilled in the cross and hold onto this as your covenant once again. And this must be seen in your field throughout your life.
- 3) The Lord fulfilled the three works of Christ. God has given mankind the way out of curses, the way to crush Satan's head and have conquest, and the way to be with God again.
- 4) It is the way that resolves the three fundamental problems of mankind. After original sin, the three fundamental problems were the fate of all of mankind. Christ had resolved the separation from God, sun, and Satan. That is why Christ's proclamation that "It is finished," is so tremendous.
- 5) There are no curses for those who believe in Jesus. It is not only to the extent that you will not go to Hell, but your problems will turn into blessings. This means that all of your problems will turn into blessings. God does not give you problems for you to be in curses, but rather gives you problems to turn them into blessings. The only condition is to receive Jesus who is the Christ, who resolved all of your curses.
- 6) It is the same with the authority to crush Satan's head. Satan can never overcome you. Even if you may lose against Satan a few times, in the end, Satan can never overcome you. This is because Jesus died in your stead and fulfilled the covenant to crush Satan's head. The condition for this is the same. You must receive Christ who crushed Satan's head as my Christ.
- 7) It is the same when God resolved mankind's separation from Him. Now you can be with God eternally and He will never leave you. No matter how hard you try to leave Him, you cannot leave Him. No matter how many sins you commit, God will never leave you. The condition for this is the same. You must receive Christ who died for your sins as your Christ.
- 8) Then, God will never leave you. Regardless of what you do, you can never be separated from Him. This is because God will never leave you.
- 9) This tremendous spiritual truth should appear in your daily life. Then, you will be able to know that this covenant is true and you can acknowledge it. You can become a witness who enjoys this strength to live in happiness.
- 10) Enjoyment is the answer. You must confess and enjoy Christ and pray. Prayer is so important. It is the mystery for this truth to appear in your life. Regardless of how good or bad your prayer is, God will listen.
- 11) Amongst your prayers, if you are able to deeply confess Christ who had completed all things in the covenant, it has the greatest authority in it. You can be inside of the covenant of Christ to pray in enjoyment of God for 24 hours and enjoy the conquest of world evangelization.
- 12) The resurrection is the first fruit in which the Lord gave evidence for all of His promises. The resurrection is the evidence that His promises are true. May you receive the blessing to receive

the fruit that is evidence of the resurrection and become the witness for America, Latin America, and to the ends of the earth.

2. **The bartizan to stand as a witness**

- 1) It is not an ordinary witness, but a bartizan that stands as a witness. It's not an average witness, but a witness that will be greatly used to go to the ends of America and South America. The evidence will be upon those who hold to this as the covenant for it is God's desire.
- 2) You are God's church that is built on the rock. Satan can never prevail against you and all doors will be opened. It is because you possess the keys to the kingdom of heaven, so whatever you bind on heaven will be bound on earth and all doors will be opened.
- 3) This is the content of Jesus' promise as Peter confessed that He is the Christ. You are God's church that is built on the rock of Jesus Christ to which no one can harm you. You will be victorious in every spiritual battle that has already been won for your behalf.
- 4) You must have faith in this. If you hold to the covenant and confess every day, the day will come when it will take place. It is because God has promised. Also, it is God's desire for this to take place on earth.
- 5) Therefore, for those who continue to hold to the covenant and confess it every day will rightfully see the covenantal Word be fulfilled in their lives. If a believer continues to do this spiritual task, then they will see continuous work of God and answer upon their lives to which they will spiritually grow.
- 6) Everything is contained in God's covenant. Therefore, everything is determined by whether your life does according to the covenant or not.
- 7) For the one who comes to the answer is the bartizan. They will be the bartizan that will save many by the covenant, stand as a witness, and raise disciples. The church is the bartizan for all the hidden disciples in America and South America to come to receive the Gospel and participate in the world evangelization movement.
- 8) The church is the bartizan that will save America and South America and the church desires to be like the Antioch church. The church desires to be like the Antioch church that holds to the content of relaying the Gospel and the Biblical evangelism strategy.
- 9) God's desire is important to receive answers to prayer. God's desire is a very important part in one's business or workfield for it to succeed and grow.
- 10) However, many businesspeople or those in the working yearn to succeed first and then use it for the sake of God's desire. That's great, however, they must first have the mindset to have God's desire and the covenant as the center of their business and jobs.
- 11) If so, the business or jobs will be centered on the covenant and the work of Satan that hinders will be destroyed. Everything must be done by the covenant.
- 12) It's not so easy to put that into practice, so you must confess the covenant and run the business or work holding to the fundamentals. If so, everything is left for God to do. May you hold to the sure fundamentals of Jesus Christ and live a grand historical life.
