

Training

Acts 1:3

If you see the importance of training, then you will see that today's training is for the sake of tomorrow. You have the fundamental answer and this enjoyment is revealed in your field, but training is the way for you to completely stand as a witness to this. There were the chosen people from God each age and God raised the disciples who followed the one God has appointed to relay the Word. Everyone must obey God's plan and you must be grateful for the time schedule you are in. In all things, you must do your best as you receive training.

1. **Confirm the fundamental**

- 1) Christ – Resurrection
- 2) God's desire - Calling, heavenly mandate
- 3) Personal covenant - The time schedule to resolve in your heart
- 4) Confirm the field - Fulfillment of the covenant that was promised - Journey, guideposts

2. **According to the Word**

- 1) God's method - The complete method
- 2) Authority - Be able to conquer the field
- 3) Word movement - Message
- 4) God's kingdom - Work

3. **The Mark's upper room movement**

- 1) People of the Gospel - Gathering
- 2) Prayer and worship - Tool, weapon
- 3) Every day - Principle - 24
- 4) The darakbang that is centered on evangelism and shares the Gospel - Acts 2:1-47

4. **Conclusion**

- 1) The disciples who follow the Word alone are the absolute disciple.
- 2) You must have what God desires as your own. If not, you will follow things not of God.
- 3) Those who hold to the covenant will never fail. They will never pause. As a result, they will conquer everything.
