

## This is my blood, the blood of the covenant. (Matthew 26:17-30)

In verse 28, it says, "For this is my blood of the covenant, which is poured out for many for the forgiveness of sins." It means they will receive forgiveness through the blood of the covenant. To be forgiven of their sins means to come out of all curses. And Satan cannot come in because there is no longer any sin inside of them. And within your physical aspect, if you do not commit sin, then Satan cannot come and attack you. However, we commit many sins. Regardless of the sin that you may commit, Satan cannot come into you because of the blood of the covenant. This is the authority of the blood of the covenant Jesus speaks of. And for those who have the blood of the covenant can meet God. This is only and unique way. You can meet Him 24 hours. May you hold to this as your covenant. The people of the world believe that the world is their end that is why they use many ways and methods to fight to survive. However, by God's grace, He has opened our spiritual eyes to see that the world is not the end for us. That is why the commission God has given to you is to save the world. This is your commission and the greatest value. You must go and relay that the world is not their end. You must go and testify that what they see with their eyes is not the end that is why they no longer must fight to survive. You must help them so that their spiritual eyes will be opened. This is your commission. This commission is especially important for you to receive answers. It does not make sense for you to receive answers when you do not even hold to God's desire. It is important for you to go and share this and save others just as much as your salvation is important. God only has one desire. It is God's goal for you to go to America and save America because people are dying in America. There are countless churches in America. Although there are many churches in America, God has called you to live in America because you are needed. God needs you that is why He has called you in America. The reason why you live in America is to save the churches of America but also to help the churches that are lacking in America. You might have heard about this. 'For those who have the commission, their lives will not end until the commission is fulfilled.' That is so rightful because God given commission is important to God. The commission that you have received from God is your heavenly mandate. God will surely fulfill it, that is why your life will not come to the end unless it is fulfilled. When this commission becomes your heavenly mandate, it will dwell inside of your 24 hours. That is when your spiritual eyes will be opened including the spiritual doors will be opened and you will be completely changed. May the grace be upon you. It is important for you to enjoy Christ fundamentally. You must firmly hold to the commission by enjoying Christ.

### 1. The Blood of the Covenant

The first point we will look at is the blood of the covenant. It means this blood contains the promise. What kind of promise is it? It is God's promise. By this blood, you will be forgiven by all your sins. It is the promise of the blood in which you are always have victory and all the works of Satan will crumble. God is always with you by this promise in blood even though you do not want. In Isaiah chapter 7 records that no one has ever seek or asked

however the Lord Himself gave this sign and that was Jesus Christ. This blood of the covenant is upon you. Is there anyone who ever asked God for it? No one ever even asked for it. God forcefully gave this blood of the covenant to us. Jesus was participating within the last Passover. He broke the bread and told His disciples to eat it. He stated that this is my body. He took the cup, and He gave thanks to eat and He told them to drink it. He stated that his is my blood of the covenant that I shed for the forgiveness of sins of all people. It is truly inspiring and touching sin. Imagine that if you are there at that time. You will be very touched. When He said the bread signifies His body, it signifies His death on the cross. When He spoke about the wine for them, it signifies the blood of the covenant which He will forgive all their sins. Jesus's blood is the blood of the covenant. If you want to come out of all the curses, you need this blood. If you deeply hold to this blood, then all the works of Satan will crumble. This is the blood that contains God's promise. This is the blood of the covenant that will set you free from all curses from original sin. This is promising blood that will crush Satan's head. This is the blood of the covenant, so you will be able to meet God eternally and always. Those who hold onto this precious blood of the covenant will set free from all curses in their lives. And this is the only way. That is why we says only Jesus. And it is only by the precious blood of Jesus Christ. And He has promised that this cannot overcome you and you are able to conquer the work of Satan. Even though you may see you are defeated, they never overcome you. This is the content of faith that you believe in. You no longer have the relationship or have nothing to do with curses. You have nothing to do with Satan anymore. You are merely being deceived by Satan. However, you have nothing to do with Satan from the start. It is all finished. Conquest, liberation, and enjoyment are planted inside of the precious blood of Jesus Christ. In Leviticus 17:10, it says, "If any one of the houses of Israel or of the strangers who sojourn among them eats any blood, I will set my face against that person who eats blood and will cut him off from among his people." He states the reason in verse 11. For the life of the flesh is in the blood, that is why you must not eat the blood. God has created blood to signify the life he had given to us that is why He tells them not to eat the blood. And he says, "I have given it for you on the altar to make atonement for your souls." It signifies that the reason He has created the blood was for the sake of this. For it is the blood that makes atonement for the life. And Hebrews 9:22 is a well-known verse that we know. It says, "In fact, the law requires that nearly everything be cleansed with blood." It means everything in temple is used for the sake of the blood. And without the shedding of the blood, there is no forgiveness of sins. This is the core of the Gospel. That is why the young lamb had to die. And it needs to shed the blood. God has set aside His covenant for the sake of the blood to forgive all mankind sins. That is why God said do not ever think blood as food to eat. And He said if that is the case, you will be cut off among the people. That means He will put them to death. He had special propose and that is why he created the blood. Before creation, God has already planned that He will create the precious blood of Jesus Christ to give eternal life to all mankind. In Exodus 24:1-11, it signifies even more. Moses received God's word. And Moses wrote down all the words of the Lord. He rose early in the morning and built

an altar for the sake of 12 pillars according to 12 tribes of the burnt offering and peace offering. And that is when the blood is shed. He split the blood in half. Half was taken for the sake of the basin. And next, he put half of the blood in altar. And he gathers all the people. And he testifies all the God's words he had recorded. And they confessed that they will obedient all the words the Lord had spoken. And then Moses takes the blood and threw in on the people. It is recorded in Exodus 24:8. "And Moses took the blood and threw it on the people and said, 'Behold the blood of the covenant that the Lord has made with you in accordance with all these words.'" He spoke of the blood of the covenant that signifies all of these words that the Lord had spoken. Lord had spoken all the words and He guarantee it to which he will be able to proclaim the word to the people. And the Lord said, "I will keep it." And that is when they said, "We will be obedient to it." It is the same for the precious blood of the cross. That is God's blood of the covenant. Then what can you do? You simply need to accept it and say yes Lord, and from there, the effect of the blood of the covenant will be upon you. That is faith. That is why God has set all the promises according to the blood. The start of the blood of the covenant takes place in Genesis 3:21. He utilizes the word 'the garment of skin' to signify it. From there, He begins to tell them about the blood of the sacrifice that they must give and then He completes all through the blood of the cross. Today's message is that Jesus Christ is the blood of the covenant. All you have to do is to believe in blood of the covenant and from there, all the authority will be given to you. We are living in the age of the faith. You no longer must kill the lamb and shed the blood. All you must do is believe in it. May you enjoy the liberation that is contained inside of the blood of the covenant. May you have the firm faith and make this your covenant. Then you will have conquest and enjoyment. And you will be able to do it for 24 hours. When you confess Christ inside of your heart, the blood of the covenant will be at work in you. How can you know this? You will be able to know within the answers that God gives to you. You will have assurance when your spiritual problems are healed. When you confess the blood of the covenant, you will receive healing and your life will be overturned. And that is how your life will be liberated from every aspect of it. And we have many witnesses to this fact. And many people are going through the process even now. Why is it like that? It is only Christ. What else can you do? Even though you are lacking, you must confess and hold to Him as the covenant. I believe that this outstanding blood will be upon your family and your children and the fields.

## 2. There is no coincidence.

The second point that we will look at is there is no coincidence. All creation all earth including all universe are within God's absolute plan. Everything is absolute and inevitable because it is God's plan. And there is no one that can block God's work. God's plan from the start will be fulfilled. The disciples gather and asked Jesus, "How shall we prepare for Passover?" And Jesus gives them the answer. It is in verse 18. He said, "Go into the city to a certain man and say to him, 'The teacher says, my time is at hand. I will keep the Passover at your house with my disciples.'" It is only God who can do this. It signifies that God has already prepared everything. It is also recorded in Mark 14 and Luke

22 regarding the same passage. If you look at those two scriptures, it says that you will meet someone. Go into the city and man carry a jar of water will meet you. You must follow him. And it says, you must enter and meet the master of their house and he will show you a large upper room. And it was prepared surely enough. When the disciples went out to the city, they met a man who carry a jar of water. The man who carries a jar of water is able to the disciples because God has already prepared them. There is no mistake. That is why they met the master and ask them to show a large upper room that is ready for them. I believe that this is how our God is preparing our lives. At times, our thoughts are particularly important, but they are incorrect. In most cases, mankind does not have the thoughts that related to God. Mankind themselves are asking why that is happening to their lives. Everything is according to God's absolute plan. Rightfully so, when you face hardship, it is quite difficult. However, in that time, that was the greatest time which God gives you the best things. You come to see the most important thing and that is why you realize how important it is for the sake of the future. All you must do is hold onto the promise in the blood of the covenant and simply wait as all the force of darkness are broken. There is only one thing that is important to God. And there is only one desire. It is going and testifying the Gospel and save many. It is not a problem you are committing a sin. However, it is a problem for you to go and testify this Gospel. Next point we will look at is regarding Judas. It says that the Son of Man goes according to what is written of him, but woe to that man by whom the Son of Man is betrayed. It would have been better for that man if he had not been born. Judas do not believe in Jesus and he is the one who fell into the wicked act of selling Jesus. He had no choice but to receive the eternal curses because of all that he has done. The one that you must keep in mind is that there is no coincidence in this world. Judas is not the coincidence. He is the representative of the non-believers. There is no coincidence. It is all absolute and inevitable. He wants to say that He is our LORD. He is the LORD to your life. You are the creation and His servant. That is the greatest power and blessing. This is the message that God gives to us today. You must acknowledge God's absolute sovereignty in your life. There is no coincidence in your life. All the works that are taking place in your life including the difficulties are needed for the sake of God's absolute plan. It will be a springboard. It will be reversed and that is how you will be able to begin a new life. It is God's plan, and it is God who will do it. Then that is the start that you must take. You must firmly have faith and start new and put everything to God. Then we will have the victory on that day of the promise. This can never take place according to your heart. It is only by God's absolute sovereignty for He is God. Our lives will take place according to the Bible. That is why Bible becomes the answer to our lives. The content of the Bible is taking place exactly to your life. You will reach the answer as you pray as you give a worship. This is who the children of God are. This is authority, blessing, and the status. You must do your best and all-in which you truly become the person that God desires. May this blessing be upon all of us. And may this be the week that you confess once again that Jesus is your Christ.
