

The Gospel Prevails. <Luke 10:1-20>

You are holding to the covenant as you give worship to God. Then, all the force of darkness will be bound. All the problems you face must crumble. Worship is also a spiritual battle. Worship is a mission that God has given to us. And you must stake your life to worship. There are times when you face the problem that there is nothing you can do. That is when true worship will arise. Today, the word that God has given to us is that "The Gospel will prevail." Do you believe in this? The Gospel prevails. And it is nothing else, but Gospel will prevail. And it is the conclusion of the Bible for those who hold onto only the Gospel will have no choice but to prevail. God is looking for those individuals. That is why you must give worship with that heart and the covenant. If you continue to do so, then God will be at work. That is when God will live for your behalf. If you live by the Gospel, you will prevail. If not, you will be enslaved. For you to be set free means that you can conquer with the Gospel. If you are enslaved, that means you have no choice but to wrestle within your life through conflicts. That means your heart is somewhere else. Once again, you must be able to confirm of this truth and be able to be placed the covenant of Christ within your heart. And you must give the worship with the covenant. It must be the covenantal worship. And the Gospel is the content of your prayer. And if you are praying holding onto the different prayer topic, that means you are being deceived. The Gospel must be your prayer. It is Matthew 6:33 in which you can conclude with that prayer alone. It is the promise of Matt 6:33, if you just pray holding onto my promise, I will give you everything to you. It is a prayer in which you must be able to enjoy the Gospel and God who is with you. Not only God will give them answers but also God will trust his works to them. For example, if there is a CEO of a company, and he has many sons, then who would be entrusted with the company? Would he entrust a company to a son that complains and nags at his Father to given him the company? No, he will not. He will entrust the company to those who know his heart and continue his company. The father would not give his renowned company to a son who has no interest and who has not been prepared. It is same for our prayers as well. Do I truly connect with God's heart? Am I truly prepared to do what God desires? That is the work that you must do. You must enjoy Christ to connect with God's heart. The Gospel is God's heart. When you enjoy the Gospel, then naturally, you will be able to connect with God's heart. You will be able to know His desire and His will. Not only that, but you will also be able to live the life that is within that. That is how you will become a person who connects with God's heart. For those who are like this will never wrestle with God. When you continuously enjoy this Gospel, you will be the one that continuously connects with God. Then, there is no other prayer that is needed. You will just be in thanksgiving of God and can enjoy that He is with you. That is why the Gospel is the solution to all problems and the Gospel is of Christ. That is why we must genuinely enjoy the Gospel. You must go into the depth of Gospel. Go into the depth of prayer to enjoy the Gospel. Then, it contains all things that you need.

1. The Gospel Prevails.

The first point we will look at is "The Gospel Prevails." And surely it will prevail. The Gospel prevails, that is why evangelism will prevail. In verse 1, it says, "The LORD appointed 72 others and sent them on ahead of him, 2 by 2, into every town and place where he himself was about to go." They are particularly important figures. They were the one who were responsible of evangelizing within the region. And they were the one who held onto God's commission of evangelism at that time. There was a deacon, Phillip. He was able to testify this Gospel even to Africa, to the Ethiopian tribes, and Samaria. Even Ethiopia, itself, is the nation which God has used to testify this Gospel in Africa. And there was a deacon, Stephan who was murdered at that time. And of course, Antioch church was important church. He became the spiritual basic of the foundation within that church. Even at that time, there were severe persecution. When the LORD sent His people out to the field, He sent them with powers so that they were able to overcome the persecution that comes to them. We all know verse 19 well. It says, "I have given you authority to trample on snakes and scorpions and to overcome all the power of the enemy; Nothing will harm you." And in verse 18, it says, "I saw Satan fall from heaven like lightning!" Because all the forces of darkness are being crumbled because the Gospel has been testified, Satan is in urgent matter. This is the authority of the Gospel that God has given to you. When the Gospel is testified, Satan's kingdom has no choice but to crumble. You must believe in this covenant. This is the authority of Christ and the Gospel God has given to you. The Gospel will surely prevail. There is nowhere else for you to go or do anything else. Regardless of the problem, you will be able to overcome all with the Gospel. The Gospel alone will be able to resolve all problems you face. That is the conclusion of the Bible. And the cause to all problem is Satan. So, you must be able to crush Satan's head. You must have spiritual eyes to see it. The cause to all problem is Satan. That is why God wants to crush the Satan's head, not man's head. You must possess this spiritual eyes. If not, you cannot do 'Only.' You must fight this spiritual battle. Who can win over Satan? What can defeat Satan? It is only Christ who will completely crush Satan. On that night, when they put blood on the doorpost, that is when all of Satan's kingdom was completely burned to the ground. That is so amazing. This is what says in Exodus 12:12. "I will strike the firstborn in the land of Egypt, both man and best." Simply imagine it. All the firstborn sons were put to death. Even the cows and pigs, all the beasts were put to death. What would have happened if this take place in America? They will be frantic and in uproar. And the LORD said, "I will execute all the gods in Egypt." And that was taken place on the night. And in Gen 15:14, this is the prophecy what was to take place. It says, "I will come out with great possessions." And in Exodus 12:36, it says, "The LORD had given the people favor in the sight of the Egyptians, so that they let them have what they asked. Thus, they plundered the Egyptians." It is amazing. This is the power of the Gospel. This is the rightful authority of the Gospel. It was the blood on that night that they put. That was able to bind and complete the work of Satan. When they hold to the promising blood, that is when God is at work to overturn it all. And it says, even the gods of Egypt will be judged. God's people will completely be set free. They are set free from curses and being enslaved. You must hold this as your covenant. Father God, at this moment, may you be able to

bind and put to ground all of Satan's kingdom that attacks me. So that I will be used for the sake of world evangelism and Remnant movement. That is a prayer that holds onto the covenant as the Gospel. Father God, I am the church that has been built on the rock. You must believe in this truth. You must confess it every day and plant it within you during the time of prayer. And confess it yourself repeatedly so that it will be imprinted. It must become your nature. This is the only thing that you should do. What is anything that you to do? Everything is spiritual problem, and it is all the works of Satan. Satan is cause to all problems, that is why God has sent His son. If you do not possess this spiritual eye, what will happen to you? Then, you are not able to match with God. Then, what will happen? Then, you have no place. You have no choice but to wander elsewhere. You are not living inside of Christ. You must change yourself. This is only thing you to do because God is almighty. God can do all things. Who would God give all these things to? God will give it to those who can do this. So, do it all the time. God has given you the answer. This answer is the complete answer. God says, everything is finished with this alone. This is only thing that you must do. May you all be victorious by doing this alone. It is nothing else, but the Gospel prevails and overcome all. That is why there is nothing else you to do. May Christ be the covenant once again. Why must you enjoy the Gospel? Because the Gospel is the answer.

2. 70 Workers Disciples

The second point we will look at is the '70 Workers Disciples.' They were the disciples that were responsible of the region. May you make the confession before the LORD that you are like 70 workers. God did not just send His disciples to the field. In verse 3, "Go your way; behold, I am sending you out as lambs in the midst of wolves. That is why He has given to evangelist the power. And in verse 4, the LORD says, "Do not take anything because you are the evangelist, you do not have to take anything and there is no reason for you to greet even anyone on the road." And in verse 5, He says, "Whenever you enter someone's home, first say, 'May God's peace be on this house.'" This is the authority of the evangelist. And in verse 7, "If anyone ask you to come inside, then do not hesitate to accept hospitality and eat and drink what they provide." Because it is rightful the labor to deserve his wages. In God's eyes, they are the greatest labors for they are the one who preaches the Gospel. In God's eyes, they are the true workers. And the LORD says, "Do not go from house to house." It means, you do not have to seek after others. You are rightfully receiving what you must receive. And he says, "Heal the sick." There is authority inside of the Gospel that can heal all. For those who testify the Gospel have authority. It must be done by faith. And verse 10 and 11 speak about evangelists who are not welcomed in the region. And it says, "Even the dust of your town that clings to our feet we wipe off against you." And "You must go and testify that the Kingdom of God has come near." You must never forget God has given to you this outstanding authority as an evangelist. Evangelism is not you are begging to others. But you never be arrogant. We must be both humble and bold. Whatever happens, your life must be correlating to evangelism. It is not the simple evangelism. You are fighting the spiritual battle. So, you need strength and spiritual weapon. That is why God has given you Christ as the spiritual weapon. With this alone, you must be able to bind all

the works. He has given you the authority of the power and He promised to send out the Heavenly army of angels. And He has promised filling of the Holy Spirit. May you personally ask yourself now. "Am I an evangelist?" How do I connect with God's desire of evangelism? Because this is God's sole interest. What will happen if you have no connection with God's only interest? You must be the one that connect with God's desire of evangelism. To be honest, we have been enjoying the Gospel, but we have not been connected to American churches. It has been 20 years, but there is not even a single American pastor within this Gospel movement. This is not an average problem. First, responsibility is all upon me. As I always think about Arizona, I always think of Native American in my heart. And in the month of June, I am thinking to gather those who have the heart to go to Phoenix so that they can have this training take place together. I believe that it will be a time in which the Gospel will be related as well. And the pastor's wife I know is teaching instruments to the children in the church. She is teaching guitar, piano, and violin amongst the children. And I thought that not only just teaching instruments, but also relating the Gospel to the children is possible. I am upset because no one can leave the church right now, and we need English speaking ministers. We need many English-speaking ministers. We need many great ministers within our church especially for the sake of Remnants and Multi-ethnic. But if you look at perspective of Arizona Immanuel church, there is no single minister. When they look at us, we have many disciples. I believe that through the Indian reservation because we have never done that ministry, if God opens the door for us, then we will dispatch our minister there. And right now, in Arizona Immanuel church, it is within a house. They are living and worship in house. And I am having the thought that it will be best for us to purchase a new home or bigger space in which many Remnants will be able to go for mission trip as well. I have thought that I want to put that in to action after this pandemic concludes. I believe there is God's plan, and we will be able to see the works of God. And I want you to pray for the pastor Ricardo and His disciple, Gabriel. We are going to Los Cabos, Mexico for mission trip from 12 to 18. Please pray for that. We are the evangelist. Then, do you possess the answer? Are you an evangelist that relays the answer? Can you leave behind the Gospel so that they can firmly hold onto it? Or you simply spreading the Gospel in the air? What do you hold to? The Gospel is clear and accurate. The sure fact is you must continuously hold onto and confess Christ until the last day of your life. In most cases, many believers have faith, but they have no choice but wander because they do not hold onto the covenant within their hands because Satan is at work. Then, what about the people of the world? There are no more other words. It should be explained. Evangelism can never prevail, or the Gospel cannot go to the end if the Gospel is not proclaimed. Because the Gospel is the answer, you must continuously hold onto the Gospel even if things are not working. When you give the Gospel as the answer to them, they can firmly hold to that. They all need the answer. The first answer is salvation. And the second answer is prayers. He has completed it by the precious blood on the cross. Then, that is the relationship between themselves and God. So may you confirm it and may be able to send as a witness to these answers. It is nothing but Gospel prevails. May it be the week which you can prevail with the Gospel.
