

Your Neighbor (Luke 10:25-37)

Today's message is entitled "Your Neighbor." It means that Jesus is your neighbor. Those who have Gospel are different from others. Their lives are different, and every aspect of their lives are completely different. Of course, the prayer is completely different. It is because within their prayer lies the authority of the throne which can change and move the heavens and the earth. It is because the Gospel that they possess has the authority. That is why a prayer that does not have the Gospel is of no use. It is just words that they say with their mouths. But for those who hold to the Gospel and pray they will be able to raise miracles. It is outstanding and thankful work that God does. So, may you once again hold onto it as your covenant and believe in it. On the day of Passover, they put the blood of the covenant on their doorposts and their doorframes. That is recorded specifically in Exodus chapter 12. It is the promising blood that was able to allow His people to be set free from slavery. And it was the time in which the Satan's kingdom was destroyed. And all the tribes of Egyptian were all punished by God. And the Israelites did not merely come out of Egypt. They were able to come out with great possessions. It was prophesized in Genesis chapter 15, and it was specifically recorded in Exodus 12:35-36. So, the covenantal blood to put on the doorpost is the Gospel, and for them to do that is prayer. It is amazing. And all you must do is continuously place this blood within your life. Then, all the work that is taking place will be done as it is. And it will realistically take place. You must continuously place covenantal blood upon your heart. Continuously confess every day. That is how you can put the blood within your life. And it says in Psalm 1:2, "But his delight is in the law of the LORD, and on his law, he meditates day and night." And in verse 3, "He is like a tree planted by streams of water that yields its fruit in its season, and its leaf does not wither. In all that he does, he prospers." It means that your life will prosper like this. The law of the LORD is the Gospel, and Meditating day and night is a prayer. And there is a famous scripture that is recorded in Joshua 1:1-9. God poured His words to Joshua who had to go and fight a great battle. He said, "This Book of the Law shall not depart from your mouth, but you shall meditate on it day and night, so that you may be careful to do according to all that is written in it. For then you will make your way prosperous, and then you will have good success." And he said, "within your life, you will never be defeated by others." The law of the LORD is the Gospel and meditating on it day and night is a prayer. And we all know Matthew 6:33 well. "But seek first Kingdom of God and His righteousness, and all these things will be added to you." He says, "Do not do anything else. Seek first this." The Kingdom of God and righteousness is contained in Christ, that is why it is the Gospel. And to seek it is a prayer. When we did not accurately know of this Gospel, we would not be able to have the walk of faith. It has all done, but you had no choice but to wander because you were not able to see where you must take root within. It is the greatest blessing of all blessings on earth to know the

accurate Gospel. Even if you may know the Gospel, but you are continuously wandering, where does the problem lie? There is a problem within the prayer of enjoying the Gospel. You can see what kind of content you must have within your prayer as you look at the 4 scriptures I have mentioned. The blood of the covenant must be continuously placed upon your life. Meditating on the Gospel day and night is your prayer. And seeking Christ is a prayer. Then likewise, on that night, your life will be completely set free. And God will completely bind all Satan's kingdom. And you will be able to come out with great possessions. And you will be like a tree that is planted near the stream of waters in the prayer that enjoys the Gospel. Your life will be prosperous and successful to which there is no one that can defeat you. God has promised "I will add all these things to your life." So, the Gospel is the fundamental promise and the answer. And enjoying the Gospel is another answer for you. This is the Gospel prayer, Covenantal prayer, and prayer that enjoys Christ. So, if you are still wandering even though you know the correct Gospel, you must change your prayer. I bless you all in the name of the LORD and this blessing will be upon you."

1. The Men who Fell Among the Robbers

The first point we will look at is "The Men who Fell Among the Robbers." In verse 27, LORD answered, "You shall love your God with all your heart and with all your soul and with all your strength and with all your mind, and your neighbor as yourself." However, Jesus and the lawyer interpreted this verse differently. And the lawyer asked, "Then, who are my neighbors?" And Jesus gave him an example the man who fell among the robbers. And he gave the message that He has come as a Good Samaritan. And the conclusion is Jesus is your neighbor. Jesus said, "you must love your neighbors as much as you love yourself. Then, you will be saved. If you do that, you will be able to come out of the curses like the men who fell among the robbers." It is fact that we have fallen among the robbers. All mankind has fallen among the robbers. They were completely stripped down, and their all the possessions have taken away. They do not have strength even come out of it on their own. How can they come out of this? Others will pass by, but It is a Good Samaritan in which you hated him much will save you. That is why Jesus has come to as a Good Samaritan. This is Jesus's message. Jesus said, "You have been beaten by Satan. I have come to resolve this for you." And this salvation was a complete salvation. In verse 35, it says, "And the next day he took out denarii and gave them to the innkeeper, saying, 'Take care of him, and whatever more you spend, I will repay you when I come back.'" It signifies of what He was able to do on the cross. He was able to take care of everything for on our behalf." All mankind has fallen among the robbers. They need the complete salvation. He was beaten have to death. Even now, so many people are within this. They cannot come out of it. All curses have come from Satan. They have fallen inside of the words of Satan. You have no choice but to face the problems even today. It is because you do not completely

have the faith of only Jesus Christ, but you follow Satan. All problems are correlated to the spiritual problem. That is why you need Christ. He says that He is our neighbor and Good Samaritan. And you are like the men who have fallen among the robbers. May you once again confirm this truth. May you hold onto Christ once again. The answer is Christ. He is complete and more than enough. There is no other answer except for Him.

2. Your Neighbor

The second point we will look at is “I am your neighbor.” Jesus wants to tell the lawyer that I am your neighbor, and you must only believe in Him. He says that you shall love your God and me. And you will be able to inherit eternal life. Those who love God will never follow idols. Those who love God will not chase Satan. If you love Jesus, you will be able to believe in Jesus. So, our neighbor is Christ. It is Christ who was able to set you free from your life that has fallen among the robbers. There is no other way except for Christ. That is why He says, “I am the way.” How is it possible that it is Jesus who can save us from our lives that has fallen among the robbers? First, enjoyment, waiting, and then to challenge. When it comes to challenge, that is when there is a great salvation to which He will save you. It is not the fervently praying, you must be able to deeply enjoy Christ. This is the more of accurate answer. And it is not according to your time, you must be able to wait for His time. This is wisdom. And when His time comes upon you, that is when you must challenge. May you carefully think about it. How much is more of thoughts that you have for Christ or your own thoughts? Works will take place when you challenge it. And when you challenge, God is at work. You must be able to challenge for the sake of God’s absolute plan. When you challenge within your business, it must be for the sake of God’s absolute plan. And Remnants are the same as well. This is the method for you. Then, you will never fail. You must be successful. That is God’s desire for you. God wants you to stand as a witness through that. Your thoughts must be fixated on God’s absolute plan. When the absolute covenant come inside of you, that becomes your personal covenant. You must enjoy, confess, and proclaim it to yourself. That is a prayer. That is when all the forces of darkness will be bound that is because of your covenant that you hold to. That is why all the hinders must be bound. Do you possess this? Those who possess that is one who hold to the covenant. And their lives will be unstoppable. Before that, you must be able to hold onto the fundamental covenant. And you must be able to meditate on the law of the LORD day and night. That is the fundamental covenant. You will be like a tree that is planted near by the stream. God tells us you must live like this. And He says, He has come as your neighbor so that you can come out of the life of curses, and to live this successful life. In verse 35, He says, He will repay when He comes back. It means when He returns, He will replay all things. That is when the eternal salvation will be completed to which all your neighbors will be rewarded. This is the blessing of mankind.

For the sake of this moment, you live until 70,80, or 90. If you depart from this, your life will be meaningless even if you have received the salvation. If you are fixated on all the works of it, all will be rewarded. Why are you concerned about your problem? It is the fact that you must first change yourself. God says, “I have already given you the answer.” And in verse 37, He says, “You go, and do likewise.” It means that you must go, love your neighbors, and help them like Good Samaritans. We must live this life in which we can give ourselves to help our neighbors. You cannot be an evangelist without the attitude of helping others and at times being at loss for the sake of them. This is the fundamental attitude for the evangelist. We must also know that Jesus had the desires to give us deeper message, but He just conclude with this action. The one that Jesus wanted to speak to the lawyer was to tell him “I am your neighbor. You must love me to inherit eternal life.” He has come to earth for sake of this message. But the lawyer was nit in the spiritual state in which He was able to understand the words of Jesus. He just had a question and wanted to test Jesus. Since Jesus knew God has the time schedule, that is why He did not say more to him. That is why He concluded the message speaking of the main point of action. It was all religious lifestyle for them, that is why they were more pleased to hear the words that they need to do something. He just omitted the true Gospel words. But we must be able to understand the words that Jesus yet have not spoken of. It is the fact that Jesus is your only, eternal, and perfect neighbor. God’s point of view is fixated on original sin. Where is our point of view? Our point of view is just stuck on the fact that I am living a better life compared to 10 years ago or other people. In the end, you are greatly deceived to which you cannot see the original cause to all problems. You cannot even see the fundamental reason, that is why Christ is not inside of your heart nor does He hit your heart. That is why Satan deceives all mankind on earth. Why did Jesus give the example of the men who fell among the robbers? We are different within a point of view compared to Jesus because we do not recognize the original sin in our lives. It began from Adam. You must know what had occurred before and after the original sin. Adam was able to experience this firsthand. God does not look at your sin, He looks at the covenant. Look at every word of God. It is according to the standard of before and after original sin. And that is how you must live your life. If you do not live your life like this, then you are spiritually ill. You are being deceived by Satan. Then, you have no choice but to meet the robbers. All mankind is like this. But you have come to know the Christ. You can now fight the new spiritual battle. You must be able to destroy the robbers. May this blessing be upon you. Jesus says, He will be the one who will repay at all. You must put the blood of the covenant on your doorpost every day, meditate on God’s words day and night, and keep them especially for you, the Remnants. This is the fundamental prayer. May your life is like a tree that is planted by the stream. May this blessing be upon to you to which you can earnestly meet your neighbor, Jesus.
