

The Place of Meeting and the Word (Ex. 25:10-22)

All mankind must meet and must receive the word. The place to receive the word is in Christ. If problems did not exist for mankind, there would be no reason for the Lord to come to the earth. If it was possible for mankind to solve their problems on their own there would be no reason for the Lord to come. However, that's not the case. When mankind face a critical problem they have no choice but to acknowledge this fact. However, the problems that mankind face do not end at physical problems. Whenever we speak of problems we only think of them as physical problems. However, they are stuck and seized by spiritual problems. Mankind became separated from God, became cursed as sinners, and enslaved by satan. This is a sure fact but when you relay this truth to others they are not moved by these words. It is a story that has no connection with them whatsoever. It's tremendous if mankind comes to see that they are separated from God. Yet, if you tell them that all mankind are sinners they are not moved. When you relay to them that they have no choice but to be enslaved by Satan they question why. However, that is not the case for the bible. All mankind is seized and enslaved by satan. Many are not touched by this truth however, from time to time there are people who are touched by these words. They begin to live a special life. The moment it becomes their own they are able to see that it is the sure word of God upon them. God's word will be concrete to their lives. There are many examples written in the bible as well as in church history. That is why the fact that all mankind are separated from God and are cursed sinners who have no choice but to be enslaved by Satan is not a story. This is the realistic and fundamental truth. The cause of all problems is because of this. There is nobody that can resolve the fundamental problem on their own. To be honest, it's very rare for people to even acknowledge this. Many people pray to God but yet are not able to connect to God heart to heart because they are unable to see this fact. We must be thankful because as we continuously listen to the message our spiritual eyes have opened. However, this is the problem that has no choice but to come because the covenant has been broken between God and mankind. This must truly come inside of your heart and yourself. This problem has no choice but to come because the covenant was broken. That is why you must reestablish this covenant. There is no other way except to reestablish the covenant. It must be the covenant that Christ must be reestablished once again. Mankind was created to not face any problems. Up until this day if Adam and Eve didn't eat from the tree of good and evil there would be no problems. However, the covenant was broken and they became a prey to satan. This truth must come inside of your heart to the extent that you are able to see why it must be only Christ. From the onset angels were servants of mankind. Yet, Satan is the fallen angel from heaven. The angels are servants to all mankind's yet, the fallen an-

gel satan devours all mankind and we have become a prey to satan. After this fundamental problem everyone has been devoured and seized by satan. That is why without God's grace all of mankind has no choice but to end up in hell. There is not a single exception. However, the only way for you to be saved from this is Jesus Christ. God permitted you to receive answers when you hold to the covenant of Christ and enjoy it. Your life will change when you receive continuous answers. Your life cannot change if you do not receive answers. You must receive answers from God so that your thoughts can change as well and the doors of evangelism will be opened. You will go towards the 237 nations and world evangelization. This is the most blessed blessing God has given to us. Nothing else is greater than this answer that God has given to us. Everything else will one day pass. We must be able to live with a mindset that looks towards heaven. It is wisdom to have the standard of heaven as your own. You are greatly deceived if you fall into the ideology of the world as your own standards or continuously listen to the words of others. That is why this worship must be just like Abel's worship. God must receive this worship and our prayers. There is only one answer to that which is for you to hold to the covenant and give worship. God will not receive worship that does not hold to the covenant. Surely enough, God will receive your worship and prayer that holds to the covenant. May you receive many answers as it becomes the covenantal worship before God. May you not be oppressed or dragged by your life but may you conquer it. May you give the sure answer that it is only by Jesus Christ alone to those who are facing problems.

1. The Place of Meeting and the Word

Today's scripture explains to the people how to make the ark of the covenant. When you read it you are not able to picture it in your head. The ark of the covenant is expressed as the ark of the testimony or the ark of the law. It speaks about the mercy seat as well as the most holy place. Underneath is the ark of the covenant and on the top is the cherubim that is the mercy seat. This is placed inside the most holy place. The Lord said in today's scripture, "this is the place I will meet you and this is the place where I will give you the word." Inside the ark of the testimony contains the stone tablets of the ten commandments for that is God's word. Also placed inside is Aaron's budded rod. You all know the story of Aaron's budded rod. There was an uproar during the time regarding Moses as well, his younger sister. That is why they nit-picked and said, "How is Aaron the only special one? We are all special as well." God tells Moses to gather two representatives of every tribe. Moses tells the representative leaders of the 12 tribes to bring a dry rod with them and put their name on the rod. Moses commands Aaron to do the same as well. He gathers all the rods and puts them in the holiest place and the next day he goes to gather them. All the eleven rods were all the same. It was

only Aaron's rod that was budded to the extent that there were blossoms and flowers. What is the message of that? God's message is that we think that everything is the same, but to God everything is different. Aaron was the one that God specifically chose. God chose everyone else, but yet Aaron was different. This signifies Christ who is the priest. Aaron at the time was the priest. Aaron's budded rod was placed inside the Ark of the Testament and also the jar of manna. The jar of manna signifies the living body of Jesus Christ. The word became flesh, the word is Jesus Christ. When they crossed the Jordan River, God told them to follow the Ark of the Covenant. When they were circling the Jericho wall, God told them to follow the Ark of the Covenant. That is how works arose. God's message is to say that this is who Christ is. It was Christ who was placed in the holiest place. All the objects inside of the temple signify Christ. There is a water basin in the temple and before they enter, they must wash. In other words, they must wash or forgive their sins before they enter. That represents the mercy seat to which that is the place where they meet Christ and are forgiven of their sins. The mercy seat being on top of the ark signifies that when you meet Christ all your sins will be forgiven. This took place 1,500 years before Jesus came to Earth and said that he is the way. At the time, he prophesied his words. Only through Christ can you be forgiven of your sins. God says that he will do two important things. That is stated in verse 22. "There I will meet with you." This is the only place that God has promised to the people where he will meet them. Then what must they do? Those who desire to meet God must meet him at the place God tells them to meet him. Because it is God's promise, God will surely meet them. That is the mercy seat on top of the ark. In this present time, the mercy seat signifies Jesus Christ. There is not a single creation that can live without God. Even the sun and moon will not exist anymore if God does not exist. In the end times, when the sun and the moon and the stars no longer exist, everything is finished because it is the word that God proclaimed. That is why all mankind must meet God. They must eternally meet God, that is by accepting Jesus Christ in their heart. After they receive Jesus Christ in their heart, they must meet him every single day. It is far better for them to continuously meet God through all incidents for 24 hours and in all things that they do. From there you must be strengthened by God. All mankind must do this. To be honest, all the things that you think belong to you all belong to God. Do you think that even a strand of hair belongs to you? Do you think that your fingernails belong to you? Do you think that you have grown these fingernails? No, nothing belongs to you because everything that you possess, you have received from God. You have received it all from God and you must continuously receive it from God. You must receive it every single day from God. This is a normal life. This is who mankind has been created to be. If they don't do that they just merely live their lives. Then they will be at loss. May you meet God every single day for you have eternally met him. You are meeting him

for 24 hours. That is why you must hold to the covenant. That is 24. May this blessing be upon us all. The world cannot overcome us. Even the words of others can never influence your life. It does not matter if problems arise for that alone you will have conquest, victory, and you will be able to challenge it. Secondly, what is most important for mankind is that they must receive the word from God. Of course, they don't have to receive God's words. For the believers, they will truly be at a loss, and for the nonbelievers, because they don't believe in God, they will end up in hell. They can never die. God always gives his word and fulfills it. May you think about it once again. God does according to his word. Do you believe in this? May you hold to it as your covenant and never change. What is the answer to your life? For you to receive the word from God. If you receive the eternal word of God for your entire life, then everything is finished for you. Miracles have no choice to arise if you continuously receive God's word weekly. When you receive God's word, all the hardships and problems that you are going through will all be resolved. Miracles will arise even if you may not receive this word weekly, maybe once or twice throughout a year. All mankind must be like this, but for the children of God, they must live their life like this. This is your answer. This is the complete answer that will bring miracles to their life. It is the past words of others when they say, "I have not received answers because I have not prayed to God." If you just firmly hold to Christ and follow the word of God, even if you do not pray, answers are bound to come. All things will be overturned if you just simply hold to the covenant, follow his word, and pray. God did not create heaven and earth with any ingredients. God proclaimed the word and they were created. There is evidence to this. A representative piece of evidence is the five loaves and two fish. With the five loaves and two fish, 5,000 men were fed. Not only that, there were twelve baskets left over. Who is able to do the same work that he has done? There has never once been a case like this. There is not a single person who even wrote a story regarding this. It is because it is so obvious that they are lying when they do so. Do you think that the five loaves and two fish were ingredients? Do you believe that with those ingredients alone, 5,000 men were fed and 12 baskets remained? If that's the case, then anyone can utilize the ingredients and accomplish the same thing. The water turned to wine. How is it possible that water turned into wine? Was water an ingredient? Yet, even if man had all the water, it'd be impossible for them to turn it into alcohol. Jesus simply said the words, and the water turned into wine. It was not achieved by ingredients but by His word. May you really question yourself. Do I truly believe in this? May you come to the conclusion. If you truly believe that it is by the Word, you will stake your life for the Word. Everything will be finished by receiving this Word, and that is more than enough. You wouldn't do anything else but receive His Word. You will be able to fulfill your life with the Word alone. And God said, "At that place where I will meet you, I will give you the Word." So,

how precious is that place? That is why that place was the most holy place of all places. You must receive this Word. You must never forget that the mercy seat where God will meet you is where Christ is. And the ark of the covenant signifies Jesus Christ. Where can mankind receive forgiveness of sins? They must be forgiven of their sins in order to meet God. That is why it is so important that He died on your behalf. You must be forgiven of sin in order to receive God's word. God will not give you His Word if your sins have not been forgiven. That is why accepting Christ is important. God promised, "At that place, I will give you My Word." He promised that, at the mercy seat that signifies Jesus Christ, He will give you His Word. Reverend Ryu has received the commission of world evangelization. Why do you think God gave him that commission? It was because he was in Christ. It was because his understanding of the Gospel was exceptional. He didn't receive the commission of world evangelization and then come to know Christ. Many believe it doesn't really matter what comes first, but that's not the case. That is why God says, "Inside of Christ, I will give you the Word." When you hold to, enjoy, and confess the covenant of Christ, God will one day give you His Word. As you listen to weekly messages or the Prayer Journal message and just continuously listen to the Word, God will give you the lifelong Word. And because God has given you that lifelong Word, He will fulfill that Word throughout your life. You will be in the covenant journey in which you are led by that Word. No one can block it. You will not be shaken by the words of others. It is because, through that Word alone, you will have complete conquest. With that Word alone, Satan's kingdom will be bound. At that time, the demons will try to hinder you. With the Word alone, they will be bound. You will be able to overcome all the works of the demons with the Word alone. Your life will be completely set free from all curses. You will have complete liberation from all that you are enslaved to. And the Bible states that you will not only come out, but you will come out with great treasures. That was proclaimed in Genesis 15:14. It was fulfilled in Exodus 12:35-36. That was about five hundred years later. So, inside of Christ, may you receive your lifelong Word, your commission. God said He will proclaim His Word at the mercy seat, so you must remain inside of Christ. Where can you meet God? There is only one place, and that place is the mercy seat. Where can you receive God's Word? It is the same from then to right now. There is only one place in the world, and it is the mercy seat. That mercy seat is Jesus Christ, the covenant. So, may you enjoy Christ. May you once again hold onto Jesus Christ as your covenant. This is the answer. One day, when you receive the lifelong commission, you will go into a more detailed answer. The only thing left is to hold onto that lifelong commission as the covenant. Then, work will continuously arise. Moses is the one who recorded Genesis 3:15. He knew about Satan and the offspring. On top of that, God gave Moses the Word to go to Canaan. No one was able to block this. And in this age, God's

method is the same. That is why, once again, may it be only Jesus Christ. And may you receive the covenantal Word. As time goes on, this will become your heavenly mandate. Then, you'll come to realize why God has led you to the Gospel. That is your calling. You will hold onto that Word as your lifelong covenant and live going towards that. God gives those people deep prayer. It's because they are someone who will do exactly as God's Word says. It's because they are the one who will be used to fulfill the Word. And when the Word is about to be fulfilled, there will be many hindrances around them. At that moment, should they simply give up? They should stand even firmer. What do they need in order to stand even firmer? They need to receive more spiritual strength. Even if there are many problems that arise, they will not be shaken. They will hold onto God's Word and head towards it. That was Moses and Paul. There were countless people who tried to hinder Moses. How difficult must it have been to live in the wilderness? However, he was not seized by that. He was not shaken. Why would he be? God is giving us the message today that He is giving this Word in this place. Shouldn't we receive it? From there, your confession will become deeper. Your spiritual power is gained through Christ. The deeper you enjoy Christ, the deeper power you will receive. There is no other place God has chosen. That is the only place which is Jesus Christ. We all know the story of King Hezekiah. During the time of the Israelites, there was only one place to meet God which was at the temple. At the time, many wanted to give worship and repent, but, although Israel was small, the temple was a pretty far distance. And they were busy with their farming and harvesting. So, instead of going all the way to Jerusalem, people would go to the top of the mountain and build an altar. It was convenient, and they also believed that they were closer to God at the top of the mountain, so they captured their lamb there and gave it as a blood sacrifice to God. Many of the kings who were against it simply let it be. Yet, King Hezekiah went through the entire city and broke all the altars. It's because there was only one place to meet God and give worship: Jerusalem. His point of view was that God was the one that gave the harvest, allowed them to farm, and poured rain for them to live. How could they say they were too busy? So, for the Israelites, God wasn't their everything and only. They only went to Jerusalem to give worship when they had time. That is why King Hezekiah broke down all the altars the people made. I am not quite sure but I do believe that King Hezekiah was on a horse and took his troops and got rid of all the altars that the people have made. That is when the work arose in which the 185,000 enemies were put to death. The King of Assyria asked them to bring them gold stones and gave it to the king. Even when they receive it, the opponents would never leave them alone. They wanted more gold from the Israelites. That is when they began to take the gold from the pillars of the Temple and gave it to them. Even with that, they were not satisfied, but wanted more. There was nothing more that the Israelites could give. King Hezekiah, who was so an-

gry that all was taken away from them, wanted to fight them. On that night, King Kezekiah resolved to pray that night as God put the 185,000 enemies to death. The king alone was able to survive as he went back to his own palace to give idol worship. But at that movement, his two sons went back to kill him. That is how the 185,000 enemies were put to death. What is the message God wants to relay through this message? You must live like King Hezekiah. Are you Only God or is God simply an accessory to you? Some people may listen to sermons in which the pastor is very stern, but may you not be discouraged, but see it as a time to repent before the Lord. You shouldn't be mixing yourself with God and the things of the world or hold God as an accessory. You must be able to go all in and have only within God alone. Spiritually, you must challenge with only Jesus Christ and head towards 237 world evangelization. For the young adults and Remnants, you cannot tell what is in the far future. When I look at my past, I really had no clue as to what was to come. It is right of us to not know what is to come because we cannot see the future. That is why when you enjoy Christ, that is when you will have the answer. God will give you a concrete answer. Jesus Christ is the fundamental answer He has given to you. He is the spiritual answer that you all need. When you enjoy Jesus Christ, He will give you a concrete answer. That is His Word. he will give you the personal Word. When you receive the personal Word from God, there is no one that will overcome you. Even though Satan may hinder you, it is of no use. If you live heading towards God's Word, God will completely resolve all things for you. This is the believer's life. May you live this life. What is your hope? How will you raise your children? What do you hope your child could become? There is only one way for your child to do all things in this world as they head towards only. It is Jesus Christ. When you go inside of deep prayer, you will reach 24. Without Christ, 24 cannot take place. If you are putting Christ aside and head towards 24, then that person will have no choice but to face mental illness. Yet, it must be Christ who is their 24. Inside of Christ, God's desire must take place for 24 hours. Then, you will not face mental illnesses. Automatically, when you are within 24, the answers of 25 will take place. Within 25, there is no effort that needs to be put in. 25 has no choice but to take place, as it leads to eternity. As you receive a continuous answer, you will see that it is all transcended in time and place. When we see one answer from God, we see that it transcends time and place. However, do you think God has given us the word "transcends time and place" just to give us one answer? We have received countless answers from God, but how come he has not given us the answer to transcend time and place. It is not an average Word, but is the Word that can be used by those that have the prayer realm taking place deeply within them. You will be able to abundantly enjoy the throne of heaven as time and space are being transcended. Then, when you stay put, you will be able to shine the light to your 237. God says that he will give you His Word at that place.

You must receive the Word. This is the word God has given to us as the promise. God says "I will give you the Word that will transcend the time and space of your life, so you must meet me here at that place. You must meet be at that place, at the mercy seat which signifies Jesus Christ. There are those that may question God, "How come you do not give me your Word?" You must wait. You must wait at the place that you are at. If you go somewhere else, you cannot receive God's Word. It will not take place. He only gave you one promise towards all the problems that have come from Genesis 3 and that is Jesus Christ. This is the start and you must go to the very end holding onto this. For someone that says, "I will no longer confess Christ because I am in the high level of transcending time and space," that person has gone crazy. Just because you transcend time and place does not mean that you simply enjoy that. Do you think you just enjoy the prayer to transcend time and space? What it means for you to transcend time and space is for you to enjoy Jesus Christ who will transcend time and space on your behalf. We are truly thankful that we have received this gospel that is so accurate. We are truly thankful that we are continuously and spiritually growing more and more. I bless you all in the name of the Lord as you enjoy Christ, the throne of heaven, who transcends time and space, and will shine the light to the 237 nations. I do believe that God will give you His grace so that you will receive His Word.
