

The Completed Tabernacle (Ex. 40:1-16)

Today's message is entitled the completed tabernacle. It is Christ who has completed and is the complete tabernacle. Today's scripture describes the completed tabernacle. Surely enough there must be a priest for the sacrificial offering. May this be a time of worship where you jage complete victory as you hold to the covenant. We start a new week. It is always a new start for the believers. The old has passed and the new has come. Of course, until the second coming of Jesus Christ nothing has been finished that is why it is always a new start for us. This is one of the fundamental faiths. Until the second coming of the Lord Jesus Christ nothing has yet been finished. Of course, amidst us there are those who are suffering. There are times where we are discouraged so we fall into trials. You may question that your life has come to an end however, it has not and those are your thoughts. Until the second coming of the Lord Jesus Christ along with the sound of trumpets from above everything is all a part of the process. This is a solemn fact that is why you must be able to hold to this truth as you give worship. Of course, when Joseph was sold as a slave and put in prison, many believed that his life was over. However, in the bible it records that it was merely the start to his life. It's not only for Moses but all the biblical figures were within a process of their life. Likewise, it's the same for us; this is the power of the covenant. God is able to do all things and much evidence is recorded in the bible. The bible itself is not a story. The bible has recorded what has realistically taken place and of course miracles that took place are recorded in the bible. Of course, even now for those who believe in this works are taking place within their lives. Until the second coming of the Lord Jesus Christ nothing is finished so you must be able to hold to Christ as your covenant and start anew. The direction has already been set and you must enter the land of Canaan which in present time is saving the 237 nations. This is the answer to your life. This is not your commission, this is the answer. For Joshua and Caleb they were able to properly apply the word of God to their thoughts as well as to their lives. At that time, God gave them the message to enter into the land of Canaan yet, they were not able to apply that to their lives and didn't continuously place this in their hearts. That is why they endlessly spoke of unbelief rather than the confession of faith. Of course, if they applied the word of God to their thoughts and lives they would have no choice but to speak the confession of faith. Of course, their team ministry would've taken place at that time and go meet those who lamented all night long. They would've partake within team ministry meeting the individuals saying, "there is no reason to cry". Of course, you must not be like one of those people. What can you do to prevent yourself from falling into this state? You must be able to apply the Canaan of this time, 237 nations, upon your thoughts and life. Of course, you must be able to hold to God's desire of 237 as your own deep within you. You are not the one who elements all night long, you are the one who starts anew with the covenant. May you all be the people of God. There lies your joy and answer to your life.

1. The Completed Tabernacle

Today's scripture says that the tabernacle has been completed. It says that you must anoint the oil to all things in the tabernacle and make it holy. "Put on Aaron the holy garments and anoint him with oil as well as his son so that they are able to stand as

the priest." That is what is recorded in today's scripture. This was God's preparation for them within the wilderness. The tabernacle is very important to God's people who are in the wilderness. They must have the tabernacle in order for them to go into the land of the wilderness. If they have the tabernacle they will have complete victory, success, and conquest within the wilderness. It was very important for them to build the tabernacle that is why God commands them to build a tabernacle. In verse 2 it says, "On the first day of the first month you shall erect the tabernacle of the tent of meeting." The tabernacle signifies a place to give worship to God and the tent of meeting signifies for them to gather. It says that this must take place on the first day of the first month. It is the message that the tabernacle is the start to your life. It says that on the first day you must begin your life with the tabernacle. It's a very important message that he says you must begin your life with the tabernacle then you will have conquest and victory. In God's point of view it's so rightful because with the tabernacle everything is finished. There are many people who are defeated by life. In special cases they have a difficult time living because they are so oppressed. All they have to do is live by the completed tabernacle and with that alone they will have conquest in their lives. That is why the Lord spoke and said that on the first day of the first month erect the tabernacle. Do not follow the words of unbelief, just simply hold onto the covenant of Christ and you will have complete victory. It's very important, you must begin your life with the tabernacle and also that every first month you must begin with the tabernacle. This is God's will. I believe that God has orchestrated the timeline and the timespan in order to build the tabernacle. Of course, it took a lot of time yet God has allowed it to be completed on the first day of the first month. Also, the two tribes received knowledge from God in order to build the tabernacle. God was able to pace the building of the tabernacle so that it would be complete on the first day of the first week. That means there is a purpose behind the first day of the completion of the tabernacle. It is the message that you must be able to begin your life with the tabernacle and conclude your life inside the tabernacle. That is why God has purposely allowed the Israelites who are within the wilderness to build the tabernacle. There were two reasons behind building the tabernacle. The first reason is so that they can meet God through the tabernacle. The tabernacle was the only place on Earth for them to meet God. How important is it for God's people to have a place to meet God? That was the place of the tabernacle. When they go inside the tabernacle, they receive God's word. Until the coming of Jesus Christ on Earth, for 400 years, there was not a single prophet. That is why not a single word of God to which all of them have turned their back against the Lord and fallen inside pharisees. Exodus 25:22-23 is a scripture we read a couple of weeks ago. It says, "There, I will meet with you. And from above the mercy seat and between the two cherubim that are over the Testimony, I will speak with you." God is saying that He will meet with you and give you My Word. The word of God is very important because God does according to His word. That is how God's word becomes your covenant. You have no choice but to seek after it, and you have faith in that. It is God's word that is all done to which the Word of God will lead your life. I do believe that God will raise up the disciples because that is the Word he has given to me as the covenant. I do believe that God will raise up many of the multi-ethnic disciples and remnant disciples because that is the covenant He has given to me. Every single time I pray and confess, I do have faith that

God will raise up many of the team ministry ministers, and not only that, but the regional church ministers and also the business people. It is because God has given me those words. And every single time I pray for healing, I make the deep confession before the Lord that I have faith that He will do healing within our church. My past state's forum was, "God, please allow it to take place." Now, I strongly tell the Lord, "I have faith that You will fulfill it." And I have faith in that, and I have hope within me as well. It is because the word is inside of me. And I confess, "God, I strongly believe that the Remnant movement will arise within the church. And it is because the Word has spoken to me in John 21:15-16. I make the confession that I believe that the 237 mission movement will arise through our church and that His work will take place to the end of Latin America, North America, and to the end of the world. God has spoken those words to me, and that is my covenant. I have a strong conviction and confession that God will do it because God has given me those words as the covenant. This is a scripture you know very well: Psalm 119:105. "Your word is a lamp to my feet and a light to my path." You know what path to take. Because He's the lamp to your feet and light to your path, you know. This is the word. It is the tabernacle in which when you are able to meet Him, He will give you His word. And nothing can take place for them without the Word of God, especially in the time of the wilderness. They can never survive, even for three days, without God's word. That is why God tells them that what they need the most is the tabernacle. So, they began to build the tabernacle. That is why the worship in which you are able to receive the word is very important. The church building in which you are able to give worship is very important. I believe that many of us do take worship lightly, but if you don't, may you change your thoughts. The moment we ring the bell, that is the start of worship. So, may you come 15 minutes before the start of worship. The more people are gathered in the church building, the more grace you will receive during the time of praise. If you take worship lightly and just sit here, you will not receive much grace. You must be at the place of worship, and think that I must be able to receive the word of God, or I will not be able to survive life. In the past, when we gave worship, we were only satisfied with receiving grace. You shouldn't just end with only grace. You must be able to receive the word of God that you are able to enjoy throughout the week. That is why the place of worship is a very important place. That is God's point of view. The most precious gathering in God's point of view is worship. God does not focus on a gathering that is not for worship. If it is a gathering that is not for the sake of worship, then that is not important to God. Then, should you take worship lightly? May you really place this inside of your heart. May you give your heart to the Lord. You will not be at a loss yet you will gain much more from the Lord. You will meet those that have not come to the place of worship and receive God's word. You will see that they have completely changed. That is why it is so important for you to meet the Lord and receive His word through the time of worship. That is why God commands you to build the tabernacle. This must be your answer. The Lord said, on the first day of your life, you must begin with the tabernacle. Not only this, but there are so many more important things inside the tabernacle. So, all the things important to us are inside the tabernacle. There is a mercy seat in which you are forgiven of your sin. If you don't receive the forgiveness of sin, there is no purpose for it. But yet that was the only place for you to receive

the forgiveness of sins. How important is that? There is also the ark of the covenant. If you simply follow after it, then all the doors to your life will open. There is an incense that signifies your prayer for when you pray to the Lord, he will answer you. There is a table for the unleavened bread that signifies the body of Christ. How important is that? The lampstand signifies Christ, who is the light. "Whoever needs the light, come to me, and you will receive it." For those who are facing depression, their heart is dark, but when they meet the Lord Jesus Christ, then the light will cast away the darkness. There is the water basin, in which you can wash away your sins and body to stand before Him. There is the court for the Gentiles and children. The courtyard for the Gentiles is the court for 237 and the courtyard for the children is for the Remnants. For the sake of that, you must pray and that is the courtyard of prayer. Everything is contained in that tabernacle. Through the tabernacle you will be able to meet God and receive the word. If you summarize the message, it is that the tabernacle will be the solution to all problems in your life. It is the tabernacle and the temple, in which you don't need anything else. It is Christ who has completed on the cross, as he shed his blood of the tabernacle. The Bible continuously repeats that it is only Christ that is able to solve the problem of mankind. The Bible repeats itself that for you to come out of your fate and destiny, it is only through Christ alone. Do you have spiritual problems in which Satan is continuously deceiving you? Hold onto the covenant of Christ and all will be cast away. In the Old and New Testament, God repeats this message. All those who were able to live through their covenant journey holding to this covenant were able to trample over the work of Satan. It did not matter if they were taken as slaves or captives. Later on, it was Joseph who was taken as a captive, but became a governor and overturned all things. It is recorded in Hebrews 11 including its history. What is the core point? Do you have the tabernacle or not? Who is Christ to you? Do you have Christ? Without the tabernacle, they were not able to pass the wilderness. That is why the Lord commands them to build the tabernacle. Without the tabernacle, they could never cross the wilderness because without it, they could not receive manna from above. What is the point of saving their lives and giving them water from the rock if they did not build the tabernacle? That is why with the tabernacle, you will be able to surpass your life. It's so obvious but yet you forget about it. If you hold onto the tabernacle and covenant, you will see miracles like the quails coming to you as you will be overflowed with it. Without the pillar of the cloud and fire, they would have frozen to death because it was so cold. Why did God permit them of the pillar of cloud and fire? It is because at the time, God's people had the covenant and held to the tabernacle. God sent the pillars of cloud and fire as it was what they had to do as they entered the land of Canaan as well. If you repeatedly do the things you are supposed to do until the second coming of the Lord Jesus Christ, then the Lord will pour manna from above. It is the life of the wilderness for those who hold to the covenant, who will experience miracles like the water from the rock and the pillars of the cloud and fire. All those who did according to the promise lived this life. Daniel held to the covenant and resolved in his heart that he will not bow down to the idols. He set the time and had the time to pray to the Lord. So God did all things for Daniel. So you must live by the covenant. It is a very trivial message. On the first day of your life, live by the tabernacle. God pays all the time to build the tabernacle because He already knew it all. God matched and aligned

all things to which they could put the blood to which they would be able to come out of it. No matter how intellectual a human being may be, they can never overcome God's plan. According to His time schedule, on the first day, He told them to build the tabernacle. May you hold to this as the covenant. Do not say such useless words, just hold to the covenant. There is no short-cut to enjoy Christ, so may you struggle to hold to the covenant of Christ. If you want to enjoy Christ in a classy manner, then this will take place as you spiritually grow. You must be able to fight the spiritual battle because Satan will endlessly attack you and never give up. One thing for sure that you must be thankful for is that you already have the answer. If you did not have the answer from the start, then there would have been no reason for you to fight against Satan to begin with.

2. The Priest of the World

You are the priest of the world. If you did not exist as the priest of the world, then all people would have died for their sin. Because of all of their sins, in the second coming of Jesus Christ, he will completely demolish all of them. That is why you are the standard. If you open up your spiritual eyes, you will see how important and precious you are. There are people who may be VIP, but to God, you are the VIP. You must be able to be God's VIP instead of following after the standard of the world. You must seek after God's standard. In Verse 13 it states, "and put on Aaron the holy garments. And you shall anoint him and consecrate him, that he may serve me as priest." As a priest, you must be able to serve the Lord alone, for the Lord will only receive it by that. Verse 15 states, "and anoint them, as you anointed their father, that they may serve me as priests. And their anointing shall admit them to a perpetual priesthood throughout their generations." That signifies Christ. What's very important is that without a priest they cannot give a sacrificial offering to the Lord. Without the priest there is no sacrificial offering nor is there forgiveness of sins. Foresay, a person that is not a priest brings the cleanest lamb to the Lord and they give the most sincere worship to the Lord, that is all in vain. To be honest, that goes against God's law, and not only that, anyone who enters the most holy place that is not of a priest, they will die at the very moment. There are those out in the world that say that how can you meet and believe in God who is so fearful. The fact that he made this law is because he wants to signify that he is Christ. No one is able to go inside the most holy place and give the living sacrifice to God as much as they desire. In the age of Abraham, those people were able to give their living sacrifice to the Lord. After the age of Moses, there was a law created and they were unable to do so. Priests were very important at that age. Without priests, they all had no choice but to go to hell. Even if everything is contained inside the most holy place, if there is no priest everything is in vain and of no use. That is why it is Christ who is the priest. Without the priest, no one is able to receive God's word. Without the priest, no one is able to meet God. The priest is very important. It is Christ who is the priest. The priest is one of the three offices of Christ. It is only Christ who is able to become the living sacrifice for our behalf. It is not that anyone can go and give the living sacrifice to the Lord, it must be someone who God has appointed. They are the ones that are able to prepare their sacrifices to the Lord, but it must be the priest, the one who has been appointed to give the living sacrifice to the Lord. What does that mean? The one that God has appointed must die on the cross so that it can be

effective. If anyone dies on the cross, it is all in vain. Starting from the old testament, God has continuously testified, it is only by the one who has been appointed that must die on your behalf. However, for those who decide to give the living sacrifice on their own, it is all in vain. God testifies that through Christ alone, can your sins be forgiven. God says that it is only Jesus Christ who has been appointed as the Nazareth to forgive all your sins. However, you possess the authority of the priest and that is truly outstanding. God has given all those who believe in Christ the authority of the priest so that they can save mankind from curses. 1 Peter 2:9 is a scripture that we all know so well, and it says, "And their anointment shall admit to them a perpetual priesthood throughout their generations." You must be able to play the role of ambassador of Christ very well. You are the spiritual doctor, so you are able to save anyone through the gospel. We are able to heal all the people because we have the gospel, but it is all according to their time schedule whether they want to receive the gospel or not. It is only possible that we are able to spiritually heal them with the gospel when it is all within God's time schedule and plan that he has prepared for them to receive salvation. We all possess the answer to which we are able to save anyone with only the gospel given to us. There are times that we meet those with spiritual problems, but there is a huge difference between those with the gospel and those without. The healing process of spiritual problems takes a long time. In the past within the spiritual problems you face, you have many questions such as, "Why is it not taking place?" or "Why am I in this state?" Now it is different. Now you have the answer where whoever that is attached to you, as long as the word is proclaimed to them, there will be a time when they will be healed. We are able to acknowledge that spiritual illness is on the rise. That is why we must be the spiritual antenna to relay the gospel to them. That is to enter the land of Canaan. Don't settle with anything, but yet, do not seek after answers but head towards 237. This is not so easy because Satan will try to deceive you so you cannot change your heart towards God's desire. You must be able to hold to Christ as your covenant at that very moment, and if it's not so easy for you, may you write the covenantal prayer so that you can at least make the confession before God. I do believe that his grace is upon us so that the time schedule will come to us soon. There are many examples recorded in the Bible. Just like Daniel, may you resolve inside your heart. May you resolve in your heart that you live for the sake of 237 and the land of Canaan in the present time. It won't take place all at once. That is why you must continuously resolve inside your heart. If it does not take place, you resolve inside your heart again. For those who confess, "God I will continuously resolve in my heart until the end", it is about to take place for you for this is God's will. Just like Daniel, resolve inside of your heart, and just like Elijah seek the double portion of his spirit. Especially for Abraham, he is such a historical figure, but starting from Genesis 12 all the way to 22, the one main point spoken of Abraham is the altar. May you change the thoughts of your heart towards God's desire. May you be overflowing with this blessing. God said that you must begin with the tabernacle. On the first day of the first month, you must begin with the tabernacle. You must begin your life with the tabernacle. May you hold onto it as your covenant and you will never fail nor will God ever disappoint you. I do believe that God will bless us all.
