# The Covenant

Genesis 3:15-21

The covenant is life. It is the only method to save mankind who are spiritually dead because of sin. If one believes, the spirit will live. If one enjoys it, the physical life will be revived. Therefore, those who have the covenant will live and be able to save others as well. There is no other hope except for mankind. Everything else is a deception and a lie. Therefore, the Lord who is the covenant said that He is truth.
