# The Covenantal Battle

Joshua 6:1-21

You must live the life with the mindset of Nobody. Nobody can help you and everyone is busy making a living. You must live the life with the mindset that it must be only God and the covenant of Jesus Christ. If you live by the covenant and prayer, you will not look elsewhere. God called you as the evangelist. God called you as those who remain for America evangelization movement and raising the disciples. The method is for you to testify the Gospel. When you enjoy the Gospel first, God will open the doors to testify the Gospel. There will be no time schedule if there is no Gospel. If America continuously spiritually dies and is established by the work of Satan, then there is no reason for God to save America. If that happens, God will relay the baton to save another nation. Before this occurs, you must relay the consuming heart to save America by the Gospel to the children. Evangelism is only possible when God opens the door, so you must first establish the Gospel in you. Therefore, it is not for you to open the doors of evangelism, but your entire life to be restored by the Gospel. This is God's promise inside the Gospel. In the end, you will be able to surpass and conquer every aspect of your life. If you have enjoyment, you will spiritually grow. It is important to have the knowledge of the correct Gospel, but it should not end with that. You must continuously enjoy to grow and go in the depths of it. You must go into the depths of prayer, life, and evangelism.

## 1. Follow the ark of the covenant

- 1) If the blood of Christ is given to you, it means that Satan will be destroyed. Satan exists to be destroyed by the blood of Christ. God is allowing Satan to exist so that the people of God can receive assurance that Jesus is the Christ.
- 2) Matthew 4 records a scene in which Jesus was in temptations. This shows that Satan has no power. Therefore, you simply need to follow the Word. Regardless of whether or not the Word becomes yours, you must follow it. Satan can never bother you and will always be crushed. When your time schedule comes, you will be able to conquer Satan.
- 3) It is the same for today's bible passage. It is God's message that states that when you follow His ark of the covenant, all of your Jericho Walls will fall. This is God's commandment.
- 4) You must follow the covenant and march throughout your life. You must march around the wall everyday and march 7 times on the seventh day. In other words, you must focus and enjoy the covenant of Christ. You must march without words. There are no words needed. Simply hold the covenant and march around. It is sufficient with the ark of the covenant alone. You must not search for the ark elsewhere. It does not exist elsewhere.
- 5) If you live by the covenant, answers will be revealed in your life. All of the Jericho Walls in your life will fall. If it does not fall, it will rightfully be turned into a blessing. Isn't this authority given to you? The forces of darkness can never overcome you. The offspring of woman will crush the serpent's head. The reason the Son of God appeared was to destroy the devil's work.
- 6) You must live by this method. You will be in difficulties if you follow a different path. This way is easy for God will do all things. There is no reason for you to die for He has died for your stead. May you enjoy this and become God's witness. There is no reason for you to choose the difficult path instead of an easy one.
- 7) This is the answer that God has given you. If you live like this, you will surely succeed. You will have victory as your life, finances, health, and evangelism will be conquered as you become a witness of God. May you be a witness to the ends of the earth. This is God's unique and only desire.
- 8) There is surely a promise. May you receive the blessing of finding the answer that He has promised us.

## 2. Shout

- 1) For six days no one spoke a word and only the trumpets of the priests were heard. The sound of the priest's trumpet must mean that the God of Israel has come. It means that the God of the

Exodus along with the God of the pillar of cloud and fire in the wilderness has come. It was a message to inform them that the ark of the covenant, built by cutting off the waters of the Jordan River, was here. The meaning from the trumpet was to tell Satan, the people of Jericho, and yourself. So that their hearts will melt, and hold on to this covenant once more.

- 2) Verse 5 states: ““And when they make a long blast with the ram's horn, when you hear the sound of the trumpet, then all the people shall shout with a great shout, and the wall of the city will fall down flat, and the people shall go up, everyone straight before him.””
- 3) In summary, after walking around the Ark of the Covenant without saying a word for 6 days, on the last day, when the priest's trumpet makes a sound, they must shout out loudly at that time. This is the promise that Jericho will fall.
- 4) It's just like the life you're supposed to live. Usually without saying anything you must hold onto the covenant and pray, but when God gives an answer and opens the door, then you cry out to the ends of the earth. You must cry out the loud voice of this Gospel and to proclaim biblical evangelism to the ends of the earth.
- 5) At this point, you must not stand still. Since the door has been opened and it is God's time schedule, you must shout out loud and shout to the ends of the earth. All the walls of Jericho will fall, all the prepared people of God will be saved, and all the disciples God prepared will open their eyes, repent, and gain strength again to start the Gospel movement.
- 6) No words nor efforts are required. You must only go around the Ark of the Covenant. Then, God will give you the word and give you the effort. He puts words in your mouth and gives you the strength to risk your life to do this Gospel movement. At that time, you must risk your life to do this Gospel movement. It is to shout the voice of this Gospel loudly to the whole world.
- 7) But there may be times of hardship. At that time, you are living as Nobody. No one is there to help. Everyone is busy with their own life. It's just fighting with God. And if there is no answer, you will die. If you look at people cowardly and use humanism, then God won't be at work.
- 8) If you make up your mind and hold onto the covenant, God cannot stand still. Even if you betray God countless times, God never does that. God is faithful. God has never betrayed His promise.
- 9) May the day come where the whole church will shout the Gospel with a loud voice. The day will come when the whole church will cry out this Gospel to the ends of the earth, South America, and the United States.
- 10) Many disciples, church lay leaders, and remnants will be prepared for this as their spiritual eyes be opened deeply.
