A King

Judges 19:22-30

There is the original Gospel. People have various thoughts which means they have various different colors but the color of the Gospel must be original. Life becomes clear and simple for those who have the original Gospel. The clearer the color, the stronger the power, the stronger the authority, and the more surely Satan will crumble. You will come out of curses and you will stand as a sure witness of this. God granted you the historical original Gospel to the United States which is like the great Rome. Those who have the covenant will become the platform that has the content to save the world and they will become the bartizans of the age. It is the bartizan that many people will look to and will come to receive salvation through you. It is the bartizan to see the world far away because you see the world and Satan through it. It is the bartizan that conquers by proclaiming the kingdom of God. These people who had this were the 7 Remnants, 70 disciples, and Lord's 12 apostles. Luther, Wesley, Moody are also all included among them. You must do this work in America, South America, and the 237 nations. Firstly, you must be prepared and you must have a lot of accurate evidence. Those who live holding to the covenant will see a lot of evidence like this.

1. **A King**

- 1) Today's bible passage records the last story in the book of Judges. Judges 21:25 states, "In those days there was no king in Israel. Everyone did what was right in his own eyes." During that time, Israel had no king, so it shows that God was not able to be their king. Christ and the Word of God should have been their king.
- 2) However, it is that everyone did what was right in his own eyes. That is why disastrous events continuously arose. It is the same for the story of the Judge of Jephthah and the story of the Levite who divided his concubine into twelve pieces and sent her throughout the territory of Israel, recorded in today's bible passage. The fact that the Levite had his own concubine is already a historic message.
- 3) The men of the city, worthless fellows, were beating at the door, asking for a man when eventually his concubine was given, abused all throughout the night and died instead. They were in a state in which things that could never occur in the Kingdom of God were shamelessly occurring. The Bible states that the reason is because God and the Word of God was not their king.
- 4) Because of this, Israel was at war with the tribe of Benjamin. Israel's army consists of 300,000 men while the tribe of Benjamin had 26,000 men. It was an unfair match however, The Israelites lost 40,000 men and lost the first two battles.
- 5) This is a message that ethics are not the problem. What made the Israelites better than the tribe of Benjamin? The problem is not that they were killing people or that the concubine was split into twelve pieces, but it was that God was not their king.
- 6) Since the tribe of Benjamin did create this war themselves, God defeated them the third time to the extent that they lost a whole family line of men. The method to resolve this problem was recorded in the next story.
- 7) Judges 21:25 is the conclusion of the book of Judges. They did what was right in their own eyes to which they fell into idol worship. That is why whenever there is an event, the Bible records that Israel did what was evil in the sight of the Lord.
- 8) Today's bible story begins in Judges 19:1 which states, "In those days, when there was no king in Israel." There was no king and no standard which is why they acted on their own desires as they bowed down to any idol they wanted. Therefore, when problems arose, they used their own methods to solve it.
- 9) How could they make these decisions if the Word of God was their king? The book of Judges recorded the vicious cycle of what has taken place to the grandfather that was passed to the father and then recurred to the son. The problem repeated the same event for about 50 years.
- 10) Therefore, mankind needs a king. Mankind is God's creation, so there is nothing they can do on their own. The small things or conditions you have the power to do now are given to you by

God. It is not originally mankind's. It is quite embarrassing for you to say that you have actually done something for yourself as you describe that.

- 11) Even after receiving the fundamentals, there are so many things you cannot do. It is important to know that in reality, there is nothing you can do. Who knows the future? Without God, who knows what will happen to you when you die? If you catch an incurable disease, you cannot do anything. There are so many examples that show this.
- 12) Therefore, mankind needs a king that can completely solve all of mankind's problems. God has given you the Word that Christ is the king. So, Christ and His Word must become your king. You must lay down everything and accept him as your complete master.
- 13) Then, you will not face miserable events in life and you will not fail or fall into curses. May you receive the blessing of making God and His Word your king.

2. **Way – Meditating on the Word, confessing, and praying**

- 1) Everything will be concluded when Jesus Christ is your king and master of your life. Then, the Lord will be your king and will always be with you. Each time you face a problem, He will be the master to the problem to which it will be resolved. This is truly important and needed.
- 2) Therefore, God gave you prayer. Through prayer, you can enjoy God's promise. The very important spiritual task is for you to meditate on the Word, confess, and pray. Everything will be concluded and the Word will be fulfilled when the covenantal Word is imprinted in you.
- 3) Moses who was a person of Christ received the covenant of Canaan and Apostle Paul who was stunned to meet Christ face-to-face received the covenant of saving the Gentiles. They rightfully prayed holding to the covenant, confessed and meditated on it. They were figures that influenced the society of that age.
- 4) It was the same principle for all the 7 remnants and they received historical answers. To all these witnesses, the Word of God and God was their king. Also, they lived their lives as the Lord's servants as a result, they received the historical answer of changing the world and saved many.
- 5) The Lord states that He is the way of John 14:6. He is the only truth and the only life. Jesus Christ is the only way to have the Word of God and God to be your king. He must be your king to rule, govern, and lead every aspect of your life. The way to have Him as your Lord is to enjoy Him.
- 6) Jesus Christ is the way to have Him as the king to your life. It is to hold to him as the covenant, enjoy, confess, meditate, and pray. If you continue, the Lord will be the king to your life according to His time schedule. Jesus Christ who crushed the serpent's head must be your king to which you will stand as a witness to conquer everything on earth.
