Oneness

1 Corinthians 12:1-11

God has a plan for every age and that plan is the center and reason for God's work in that age. This is an absolute plan that no one can ever block or change. Those who were called for this plan all lived a historical life and were at the center of God's work. Even in this age that you live in now, God endlessly tells you His plan. No matter what anyone says, the history of the Earth is moving towards God's plan. Nothing can block this and there is no such thing as failure. It has already been discovered that the 4 resurrection messages are God's absolute plan. If you live your life heading towards this, you will receive the biblical answer. If your spiritual eyes open to see what kind of relation God's plan for this age has to do with your life that person has received the answer of the age. When this takes place you will connect with God's will for that age and you will have Oneness between God, the Spirit, and the body. Then you are prepared to have conquest and live a life that saves.

1. Oneness

- 1) Today's bible passage states that although you are given spiritual gifts, services, or activities, it is God who empowers all of it. Therefore, you must also become one.
- 2) Mankind comes from a variety of environments and has a variety of values. Their personalities, goals, and reasons are different. There are so many different aspects that people are living in, including their nation or region. Even the cultures are different. Although the culture may seem insignificant, you must know that it is a culture that cannot do anything.
- 3) You live in a world of diversity and the US is particularly more diverse because of its emphasis on the culture's respect for each individual. Today's bible passage states that you must become one amidst the diversity. This means that mankind was originally in oneness.
- 4) Your gifts, services, and activities are also in oneness. You may have unique aspects inside of your gifts, services, and activities, but in the end, it will all be in oneness. This is because they are all from God.
- 5) There is no reason for you to fail to be in oneness because you have received your salvation through one covenantal blood. Having a variety of interpretations could give you more perspectives on how you decide to think about it, for it is an important process of being led by the Holy Spirit.
- 6) You have to live alone if you fail to acknowledge others. It is God's will for you to love, forgive, understand, and accept others along your journey. There may be moments of weakness depending on the situation. For example, Apostle Paul and Barnabas split ways because they had disagreements. There may be moments where you must not yield, but stand firm until the end. Ananias and Sapphira's oneness was so strong that they ended up dying together.
- 7) It is God's will for you to stand firm without yielding when it is of God's command or about His desire. The reason the Israelites died in the wilderness is slowly being revealed through our messages. However, excluding such special cases, you must always be prepared to think positively as you understand and accept others.
- 8) The Gospel transcends all things. The Gospel can transcend and accept all problems and situations. This is because you have the answer and will receive answers as much as your spiritual eyes open. With your salvation alone, you will be able to overcome most things. May you draw a greater image and look further to have the time to hold onto the covenant once again.
- 9) It is not God's will for you to sit and look forward. He has given you the word, "universe." The Americas and Latin America and to the ends of the earth – this is the historical message given to you by God. May our church, your family, your parents and children, and all those in your field be in oneness. May you then, enjoy the mystery of oneness.

2. A greater oneness

- 1) A greater oneness must be within you. You must be one with God and God's desire for this sage. It is very precious for you to love, understand, and accept the church members. However, there is the work that you must do while having a greater oneness as the blessed foundation.
- 2) It is the mission that you have received from God. The mission is a very precious blessing. The mission you discover becomes the reason for your life and the source of strength to overcome the world. The God-given mission is based on the content of Jesus Christ to which you will never lose strength. God will grant you the power.
- 3) You possess the answer. This answer saves you and the world. Those who do not depart from this answer will be revived. All problems will be resolved and the day will come for you to have complete conquest. Whoever does not depart from the covenantal blood will receive blessings.
- 4) Whether it takes place or not is not that important. That day will come when you repeatedly confess the covenantal blood to yourself. It is because God promised. God does everything by the promise. It will rightfully be done and no one can block it.
- 5) God promised to give a son to Abraham and it was fulfilled. God promised to put to death all those who do not place the blood of the lamb on the doorpost, yet on that night, the Egyptians were put to death and the Israelites were liberated.
- 6) God promised from the beginning to crush Satan's head and He has kept that promise until now. You have come to see the benefits of that Word. Inside the covenant, you must have oneness with God. You must be one with God in your heart and with His desire.
- 7) Then, all of God's promises will be revealed in your life. Up until now you have confirmed it and will continue to confirm it in the future. All the doors to your life will open because God has given you the keys to the kingdom of heaven.
- 8) No matter what affairs may arise, the gates of hell can never prevail against you. God promised this to you. God's promise will be accomplished when you confess Jesus Christ, so you must confess Jesus Christ even now. It does not matter if you confess it loudly or in your heart.
- 9) You must continuously confess Jesus Christ. If you do so, your life will be raised as the church on the Rock. Who can ever bother or hinder God's church? No one can.
- 10) You must have oneness with the church members. You must love, understand, and forgive one another. If you can't then you will be stuck in it. If so, the church will constantly be in arguments and fights.
- 11) Therefore, a greater oneness is needed. You must be one with God's heart and have His desire as your own. It states that it will be fulfilled as stated in Matthew 6:33. If you have oneness with God, God will take care of the church. The church that proclaims and conveys the Gospel will never perish.
- 12) God will keep all promises. It is the same for your life as well. Therefore, it is important to proclaim the Gospel to yourself. Then, you will relay it to others. You must be aligned and go together with the church for evangelism and mission. If so, you will receive 100 folds of blessings and answers worth a thousand years.
- 13) This is God's promise. God will receive the glory through you in this age as you have a greater oneness with Him. You will enjoy the blessing of the age. May you be used to save and rewrite the history and the stream of America and Latin America. This is possible and it will be done.
