The Greatest of These

1 Corinthians 13:1-13

Because mankind are creations of God, they must receive everything from their creator. This is the fate of creation. Therefore, the wisest decision for all creation is to obey the principles created by God the Creator. After the fall of mankind, this obedience disappeared from mankind, and if left alone, mankind would not be able to return to God with their efforts. There is no exception for anyone. Christ is where the grace to return to God is promised. Everyone must accept this promise and live by it. Only then can the curses of satan and the head of original sin be destroyed. Since God always keeps His promises and no one can block Him, you will be able to enjoy the authority that breaks down all the curses of original sin, the ruler of the power of the air, and satan's head. When you apply this principle to your life, these answers will appear.

1. The greatest of these

- 1) Today's Word records God's love. It is a precious word that includes many phrases relating to His love. May this become a reminder for you once again. (Verse 1-3)
- 2) Understanding, accepting, and loving others is God's Will as this is the way to save people. God sent Christ to this earth because He desires to save anyone and everyone with His love.
- 3) You received salvation from God's tremendous love and you have been freed from the eternal fire. There is nothing more precious than this. No one knows exactly how it feels to be in hell. However, we can be sure that it is a place of suffering that cannot be expressed with words, a place of complete darkness, and a place with eternal fear without reason.
- 4) You have been freed from that. Through God's love, and by God's inexplicable reason. Therefore God commands mankind to love each other. This is God's command, request, and desire. Although you are lacking, you must do your very best to live this life.
- 5) Matthew 6:14-15 states that you must forgive others. Then God will forgive you. This does not relate to one's salvation but it is a message for mankind to understand, love, and accept one another.
- 6) It is the same for today's bible passage. He is teaching you the lifestyle that a child of God who has received salvation must live. No matter how great a work of faith you do, how much you dedicate yourself and serve to the point of death, if you don't do it in love, it is nothing.
- 7) Without love, you will always be exposed to the danger of Satan, because he will see you who is lacking and doing it for your own sake. Those who are humanists are bound to fall for the ways of Satan. It is because it is not the Gospel.
- 8) Therefore, you must live a life of patience, as recorded in Verse 4. "Love does not envy or boast; it is not arrogant or rude." No person is complete. However, you can live by and keep common sense and go to the extent of transcendence.
- 9) Verse 7 states, "Love bears all things, believes all things, hopes all things, endures all things." You must act with faith and endure all things. Then, evidence will appear in your life according to the covenant you hold. This is because God keeps His promises and He does according to His Word.
- 10) God's promise is the blood of Christ and this is the answer that crushes the head of the serpent and breaks the curse of original sin. This is the original promise and it is not far. It is the promise that conquers and removes all problems.
- 11) This means that if you endure the hardships and have hope inside of faith, this promise will be fulfilled inside of your prayers. May you once again hold that covenant as your life answer.

2. The masterpiece church

- 1) To share this amazing love with others is the Gospel movement. You will receive answers when you enjoy the covenant. If you come to know the covenant, your spiritual state changes. You will have hope and the strength to try anything you set your mind on. When you continue in the

covenant, you will be strengthened. There are times that you are discouraged and you lose strength.

- 2) If you restore the covenant and continue in it, then at last you will conquer the world and the universe. What an amazing work that is! This is the covenant. All those who have received the Gospel will be like this. The covenant is one important aspect.
- 3) The church must be used for the amazing covenant movement. The Antioch church and churches in Rome were like this. The churches were used to accomplish God's desire for that age. They were the platform church that had God's content for that age. Everything was decided upon through the churches that were used for the Gospel movement.
- 4) The history of the world is moved according to the Gospel. Everything is moved according to the evangelists of that age who had the Gospel. The world history follows the Gospel and that is the life's fate and destiny of the world.
- 5) You must stand before Rome and Caesar. May you and the church be the masterpiece that will relay God's love to the world. Jesus Christ's hands and feet were nailed on the cross. How painful must it be? Is there anyone that can die on the cross for everyone?
- 6) Jesus Christ did this to fulfill the authority of the promising blood. Therefore, there is nothing in the world that can defeat the authority of the blood of Christ. There is nothing that can defeat this authority, not even heaven.
- 7) May you once again hold to the covenant and confess it. May all the curses of original sin crumble, destroy all authority of Satan, and be liberated from all to live the life of the masterpiece that conquers all. As you continue in confession and enjoyment, the blessing of 24 hours will be upon you.
